(57) **CLAIM**  
I claim the ornamental design for the drinking straw with sleeve, as shown and described.

**DESCRIPTION**

FIG. 1 is a reduced perspective view of a drinking straw with sleeve according to the present design.

FIG. 2 is a horizontal perspective view of a portion of the drinking straw with sleeve according to the present design.

FIG. 3 is an enlarged top view of the drinking straw with sleeve when looking from the top of the drinking straw with sleeve through to the bottom.

FIG. 4 is an enlarged bottom view of the drinking straw with sleeve when looking from the bottom of the drinking straw with sleeve through to the top.

FIG. 5 is a view of a portion of the drinking straw with sleeve when inserted through a lid; and,

FIG. 6 is a view of a portion of the drinking straw with sleeve when inserted through a lid and retracted to prevent the straw from being easily removed from a container lid.

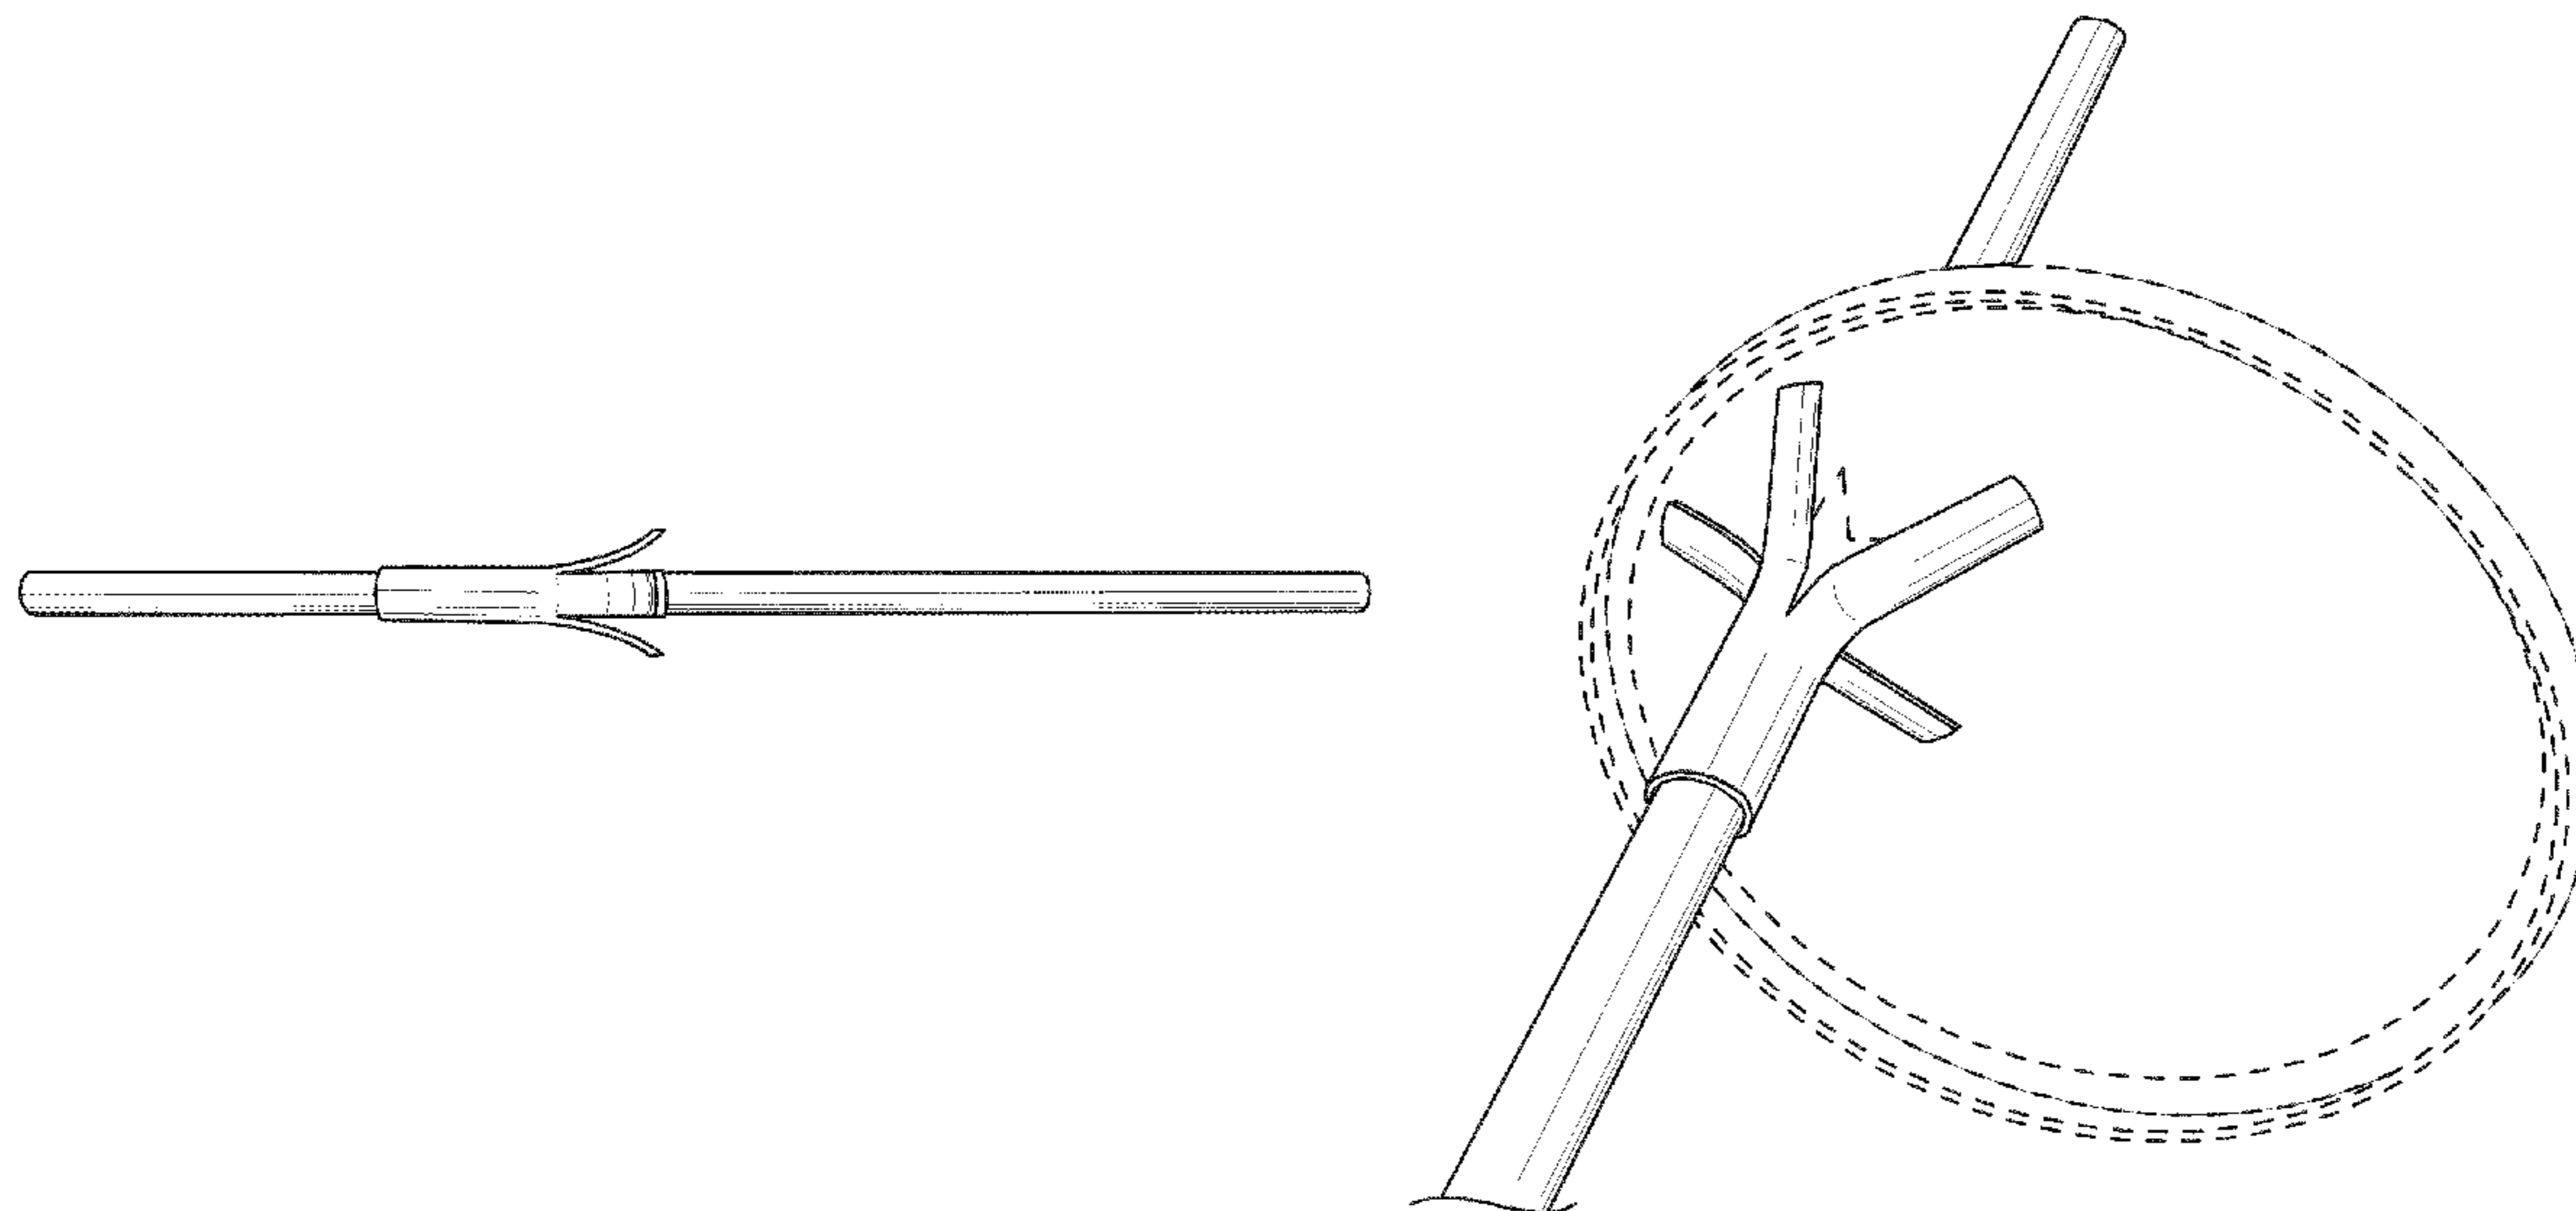

The broken lines shown in FIG. 5 and FIG. 6 are included for the purpose of illustrating environmental structure and form no part of the claimed design.

**1 Claim, 2 Drawing Sheets**
