(57) **CLAIM**

I claim the ornamental design for a vented footer track, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the vented footer track of the subject invention.

FIG. 2 is a bottom perspective view of the vented footer track.

FIG. 3 is an end view of the vented footer track, the opposite end being identical thereto.

FIG. 4 is a right side view of the vented footer track.

FIG. 5 is a left side view of the vented footer track.

FIG. 6 is a top view of the vented footer track.

FIG. 7 is a bottom view of the vented footer track; and, FIG. 8 is a closer top perspective view of the vented footer track of the subject invention.

The claimed design is broken on the ends indicating indeterminate length.
