DESCRIPTION

See application file for complete search history.

FIG. 1 is a top perspective view of the appliance wheel place-
ment chock according to the present disclosure.

FIG. 2 is a top view of the appliance wheel placement chock
according to the present disclosure.

FIG. 3 is a bottom view of the appliance wheel placement
chock according to the present disclosure.

FIG. 4 is a right side view of the appliance wheel placement
chock according to the present disclosure.

FIG. 5 is a left side view of the appliance wheel placement
chock according to the present disclosure.

FIG. 6 is a front view of the appliance wheel placement chock
according to the present disclosure; and,

FIG. 7 is a back view of the appliance wheel placement chock
according to the present disclosure.

The broken lines shown in the drawings represent unclaimed
portions of the appliance wheel placement chock and form no
part of the claimed design.
