CLAIM

The ornamental design for a valve body with integral flow
meter for an exhalation module, as shown and described.

DESCRIPTION

See application file for complete search history.

FIG. 1 is a perspective view of a valve body with integral flow
meter for an exhalation module showing a new design.

FIG. 2 is a front view of a valve body with integral flow meter
for an exhalation module showing a new design.

FIG. 3 is a back view of a valve body with integral flow meter
for an exhalation module showing a new design.

FIG. 4 is a right side view of a valve body with integral flow
meter for an exhalation module showing a new design.

FIG. 5 is a left side view of a valve body with integral flow
meter for an exhalation module showing a new design.

FIG. 6 is a top view of a valve body with integral flow meter
for an exhalation module showing a new design; and,

FIG. 7 is a bottom view of a valve body with integral flow
meter for an exhalation module showing a new design.
