(57) **CLAIM**
We claim the ornamental design for an infusion pump cassette, as shown and described.

DESCRIPTION

FIG. 1 is a reduced front corner perspective view of an infusion pump cassette according to the invention.
FIG. 2 is a front elevational view of an infusion pump cassette according to the invention.
FIG. 3 is a rear elevational view of an infusion pump cassette according to the invention.
FIG. 4 is a top plan view of an infusion pump cassette according to the invention.
FIG. 5 is a bottom plan view of an infusion pump cassette according to the invention.
FIG. 6 is a right side elevational view of an infusion pump cassette according to the invention; and,
FIG. 7 is a left side elevational view of an infusion pump cassette according to the invention.
The portions of the figures shown in dashed lines are for illustrative purposes only and form no part of the claimed design.
