(57) **CLAIM**

The ornamental design for a double washer pull plug, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a double washer pull plug showing our new design;
FIG. 2 is a typical elevational view thereof, which, since the design is circular, shows the appearance at any point around the periphery;
FIG. 3 is a sectional view thereof; and,
FIG. 4 is a sectional view thereof inserted into a weld nut. The weld nut is shown in broken lines for illustrative purposes only and forms no part of the claimed design.
