(57) **CLAIM**

The ornamental design for a display screen of a communica-  
tions terminal with graphical user interface, as shown and  
described.

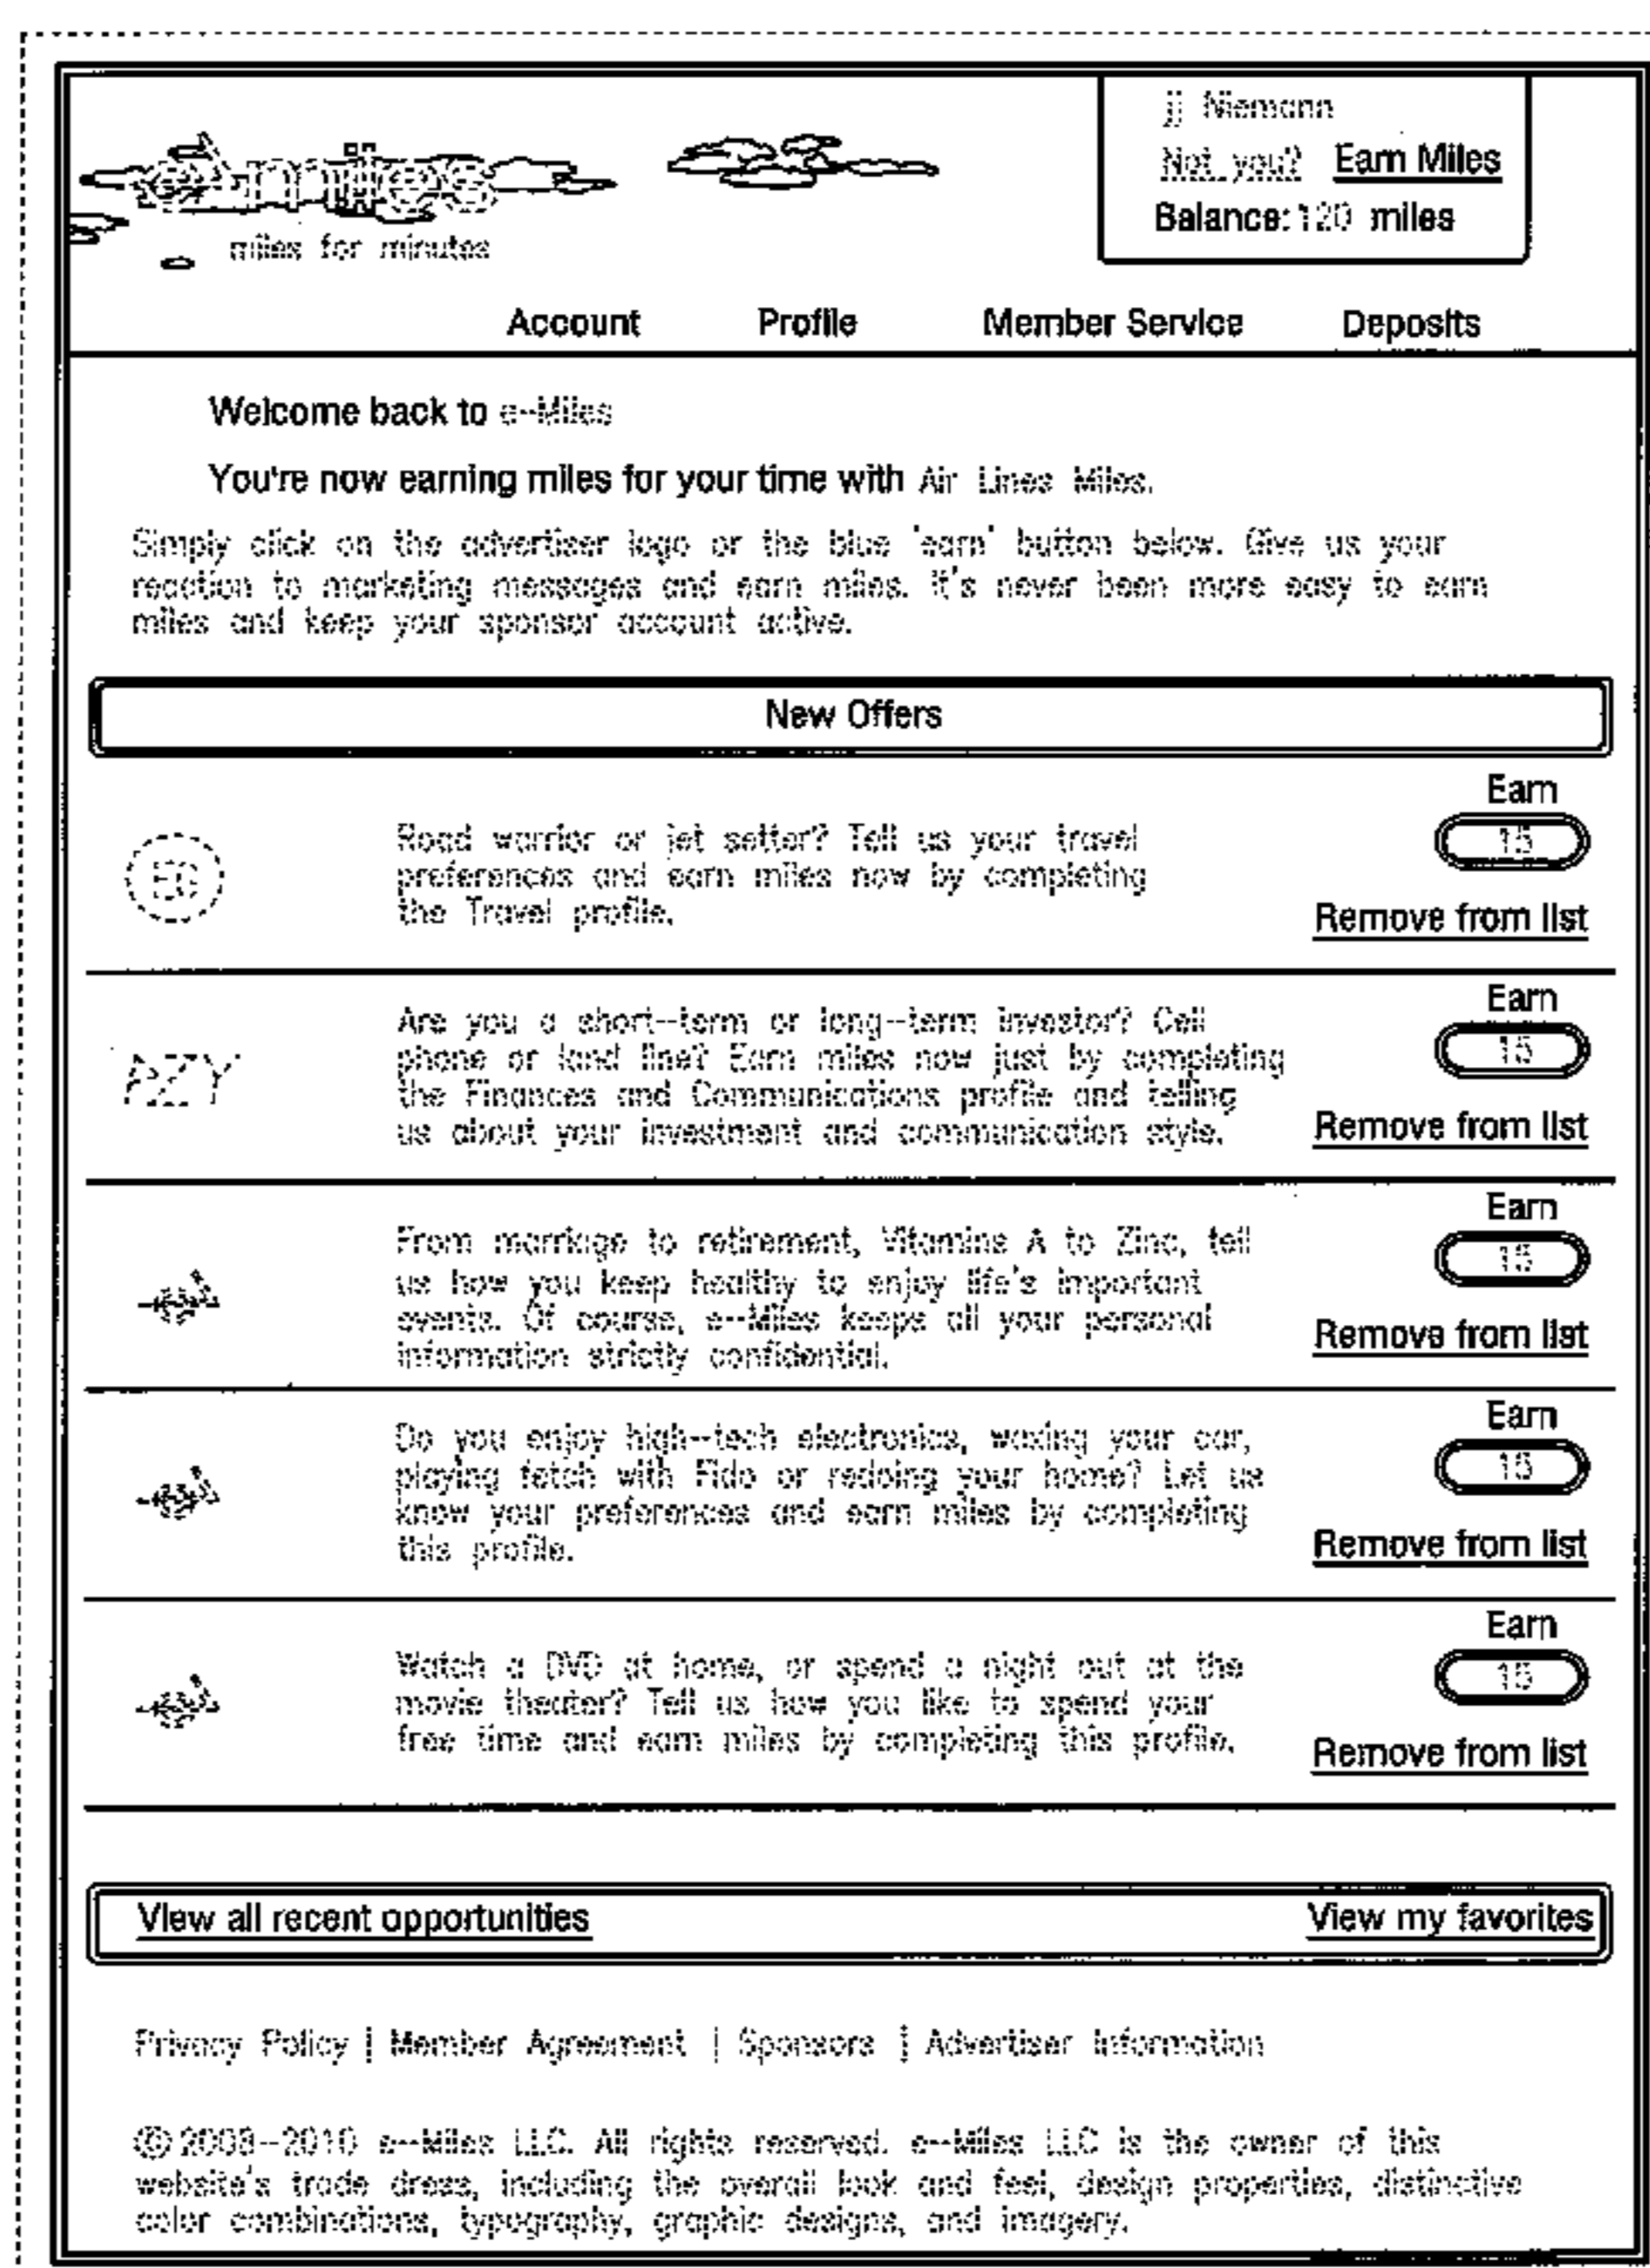

**DESCRIPTION**

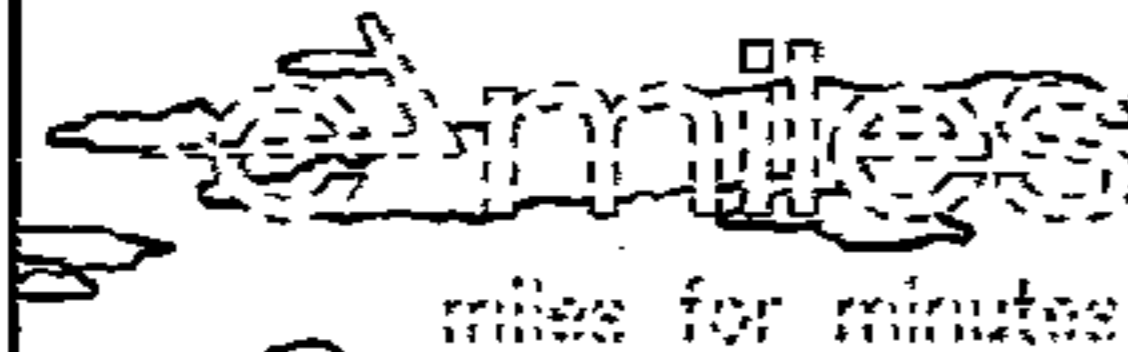

A portion of this disclosure contains materials to which a  
claim for copyright and trademark is made. The copyright and  
trademark owner has no objection to the reproduction by  
anyone of this patent document or the patent disclosure, as it  
appears in the U.S. Patent and Trademark Office records, but  
reserves all other copyright and trademark rights whatsoever.  
The “e-miles” shown in broken lines in the FIGURE (and thus  
forms no part of the claimed design) is a registered trademark,  
see e.g., U.S. trademark registration No. 2204246. No regis-  
tered trademark is included in the claimed design.

The FIGURE is a front view of a display screen of a commu-  
nications terminal with graphical user interface.

The display screen and portions of the graphical user interface  
shown in broken lines, including the words, numbers, and  
graphical indicia shown in broken lines, form no part of the  
claimed design.
