(57) **CLAIM**

The ornamental design for a two color foam core deck plank,
as shown and described.

DESCRIPTION

FIG. 1 is a perspective view depicting a top view and one side
view of my new design, wherein the top and one side exhibit
a first color;

FIG. 2 is a perspective view depicting the bottom view and
opposite side view, wherein the bottom and opposite side
exhibit a second color; and,

FIG. 3 is a cross sectional view taken along line 3-3 of FIG. 1.
The wood grain patterns shown in FIGS. 1 and 2 are for
illustrative purpose and form no part of the claimed design.
The middle portion of the plank is broken away in FIGS. 1 and
2 to indicate no particular length. The characteristic feature of
the design resides in the use of a first color for a top surface
and one side surface and a second color for a bottom surface
and the opposite side surface.
