(57) **CLAIM**

We claim the ornamental design for a baseball watch dial, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a baseball watch dial showing our new design;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a bottom plan view thereof, the top being the mirror image thereof;

FIG. 4 is a right side elevational view thereof, the left side being the mirror image thereof; and,

FIG. 5 is a front elevational view of the baseball watch dial of FIG. 1 with the dial in a second position.

The broken lines in FIGS. 1 and 5 are used to show hour and minute hands that do not form part of the claimed design. The broken line in FIG. 2 is used to show a portion of the baseball watch dial that does not form part of the claimed design.
