(57) **CLAIM**

The ornamental design for an appliance with a front having the appearance of chamfered sides with rounded edges, as shown and described.

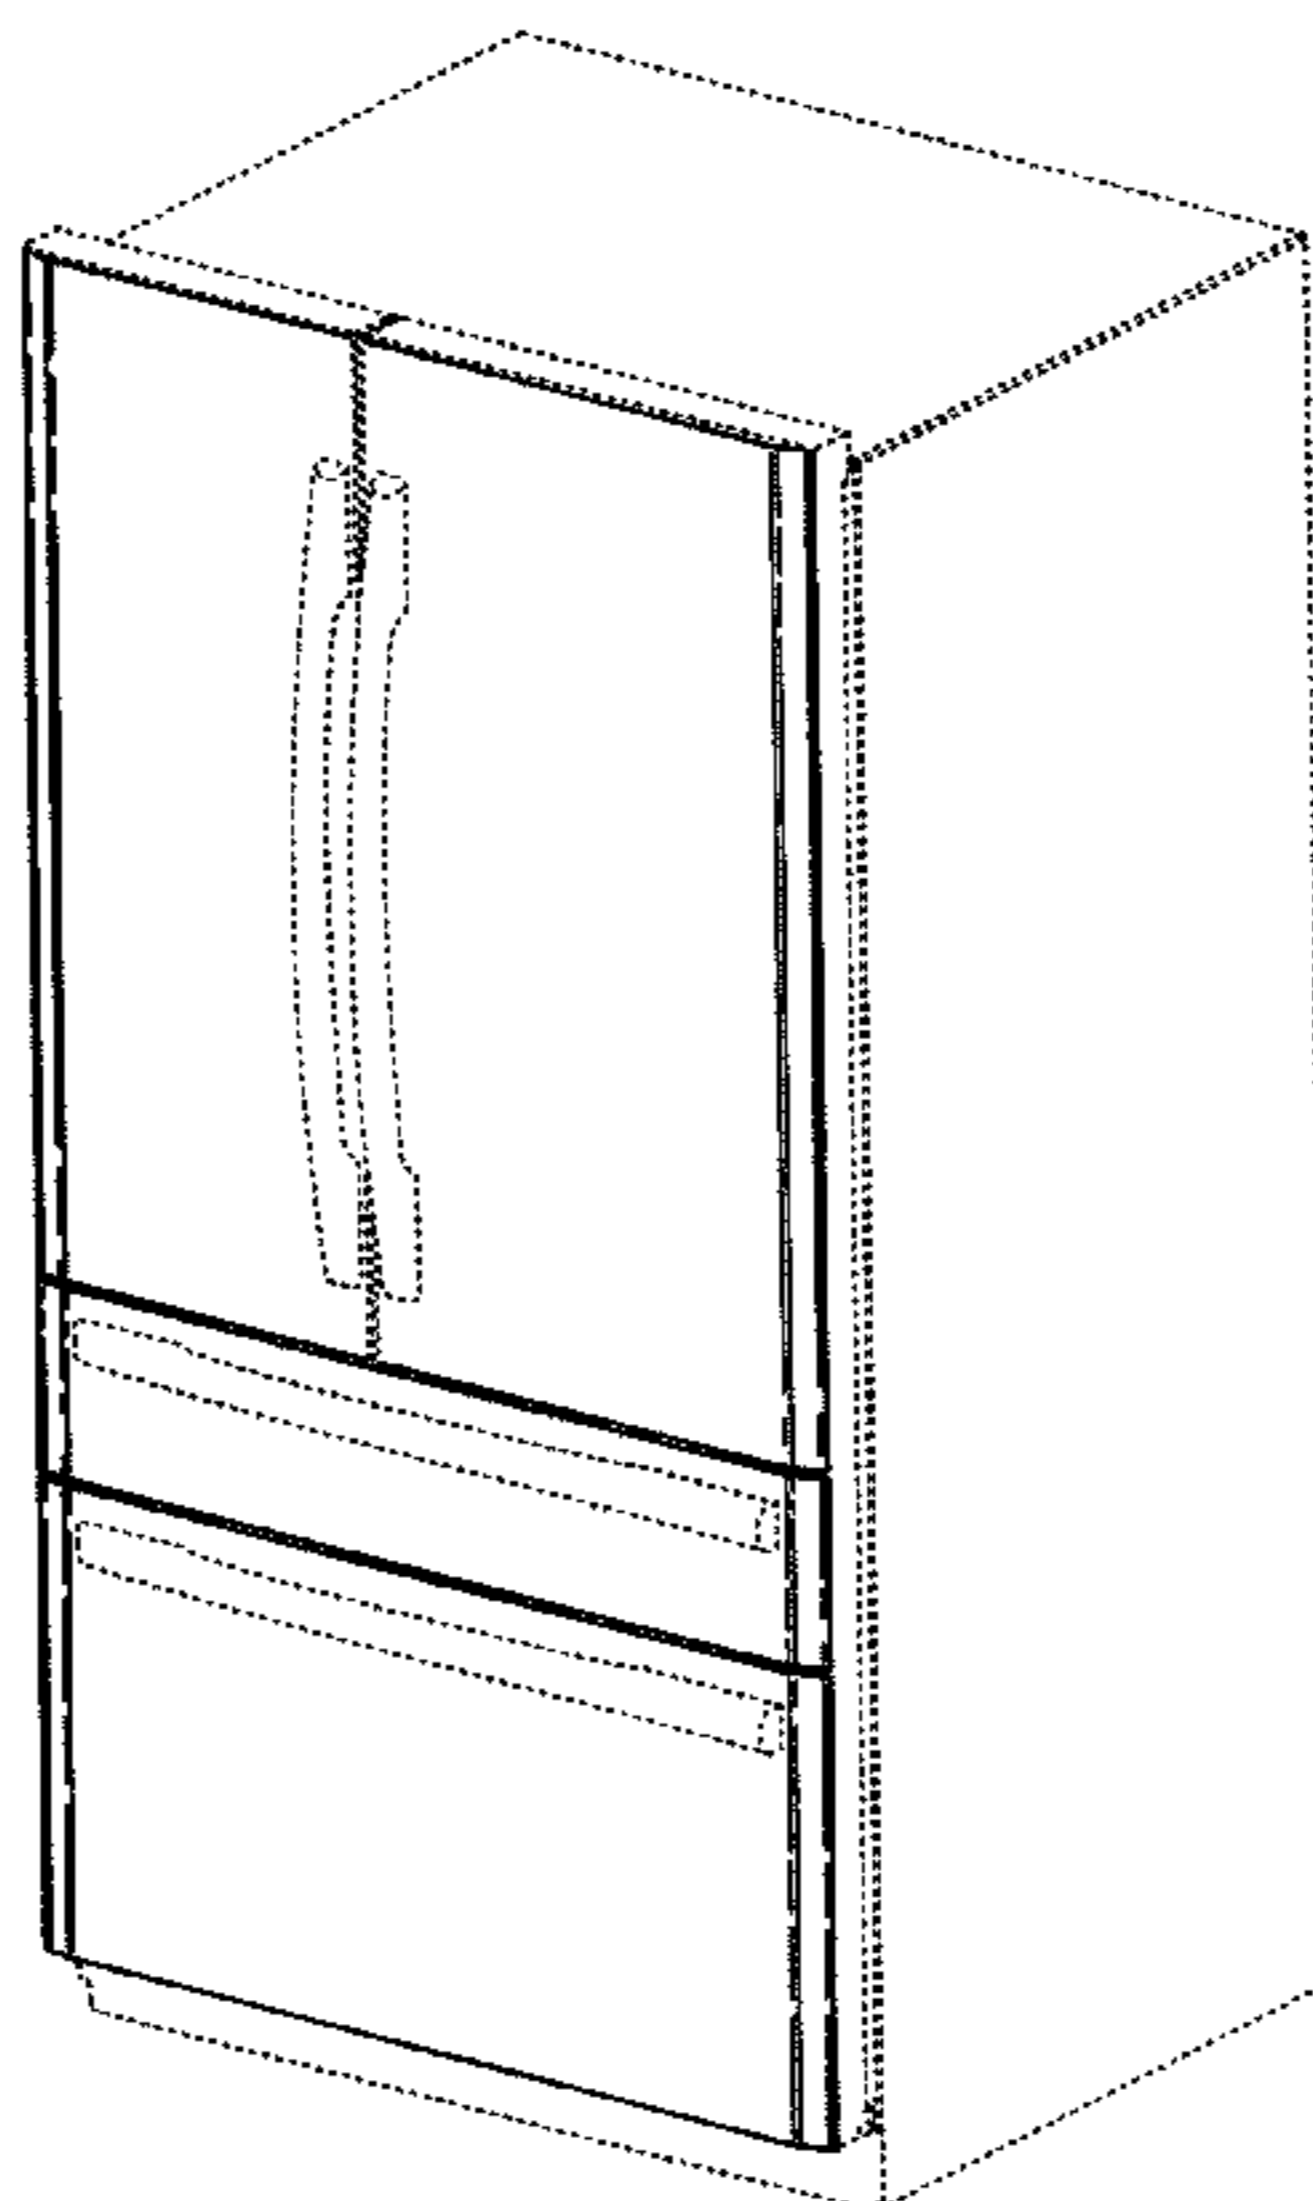

DESCRIPTION

FIG. 1 is a front perspective view of an appliance with a front having the appearance of chamfered sides with rounded edges illustrated in the environment of a refrigerator having side-by-side doors and multiple drawers, with the outer side of each door and drawer having the appearance of a chamfered side; and,

FIG. 2 is a top view of the appliance of FIG. 1.

The structures depicted by means of broken lines in the figures have been show for illustrative purposes only and form no part of the claimed design.
