(57) **CLAIM**

The ornamental design for a wheel attachment for snow blower, as shown and described.

DESCRIPTION

FIG. 1 is a front, side perspective view of a wheel attachment for snow blower showing our new design in use condition being attached to the cowling of a snow blower.

FIG. 2 is an enlarged front, side perspective view thereof.

FIG. 3 is a top plan view thereof.

FIG. 4 is a front elevational view thereof.

FIG. 5 is a bottom plan view thereof.

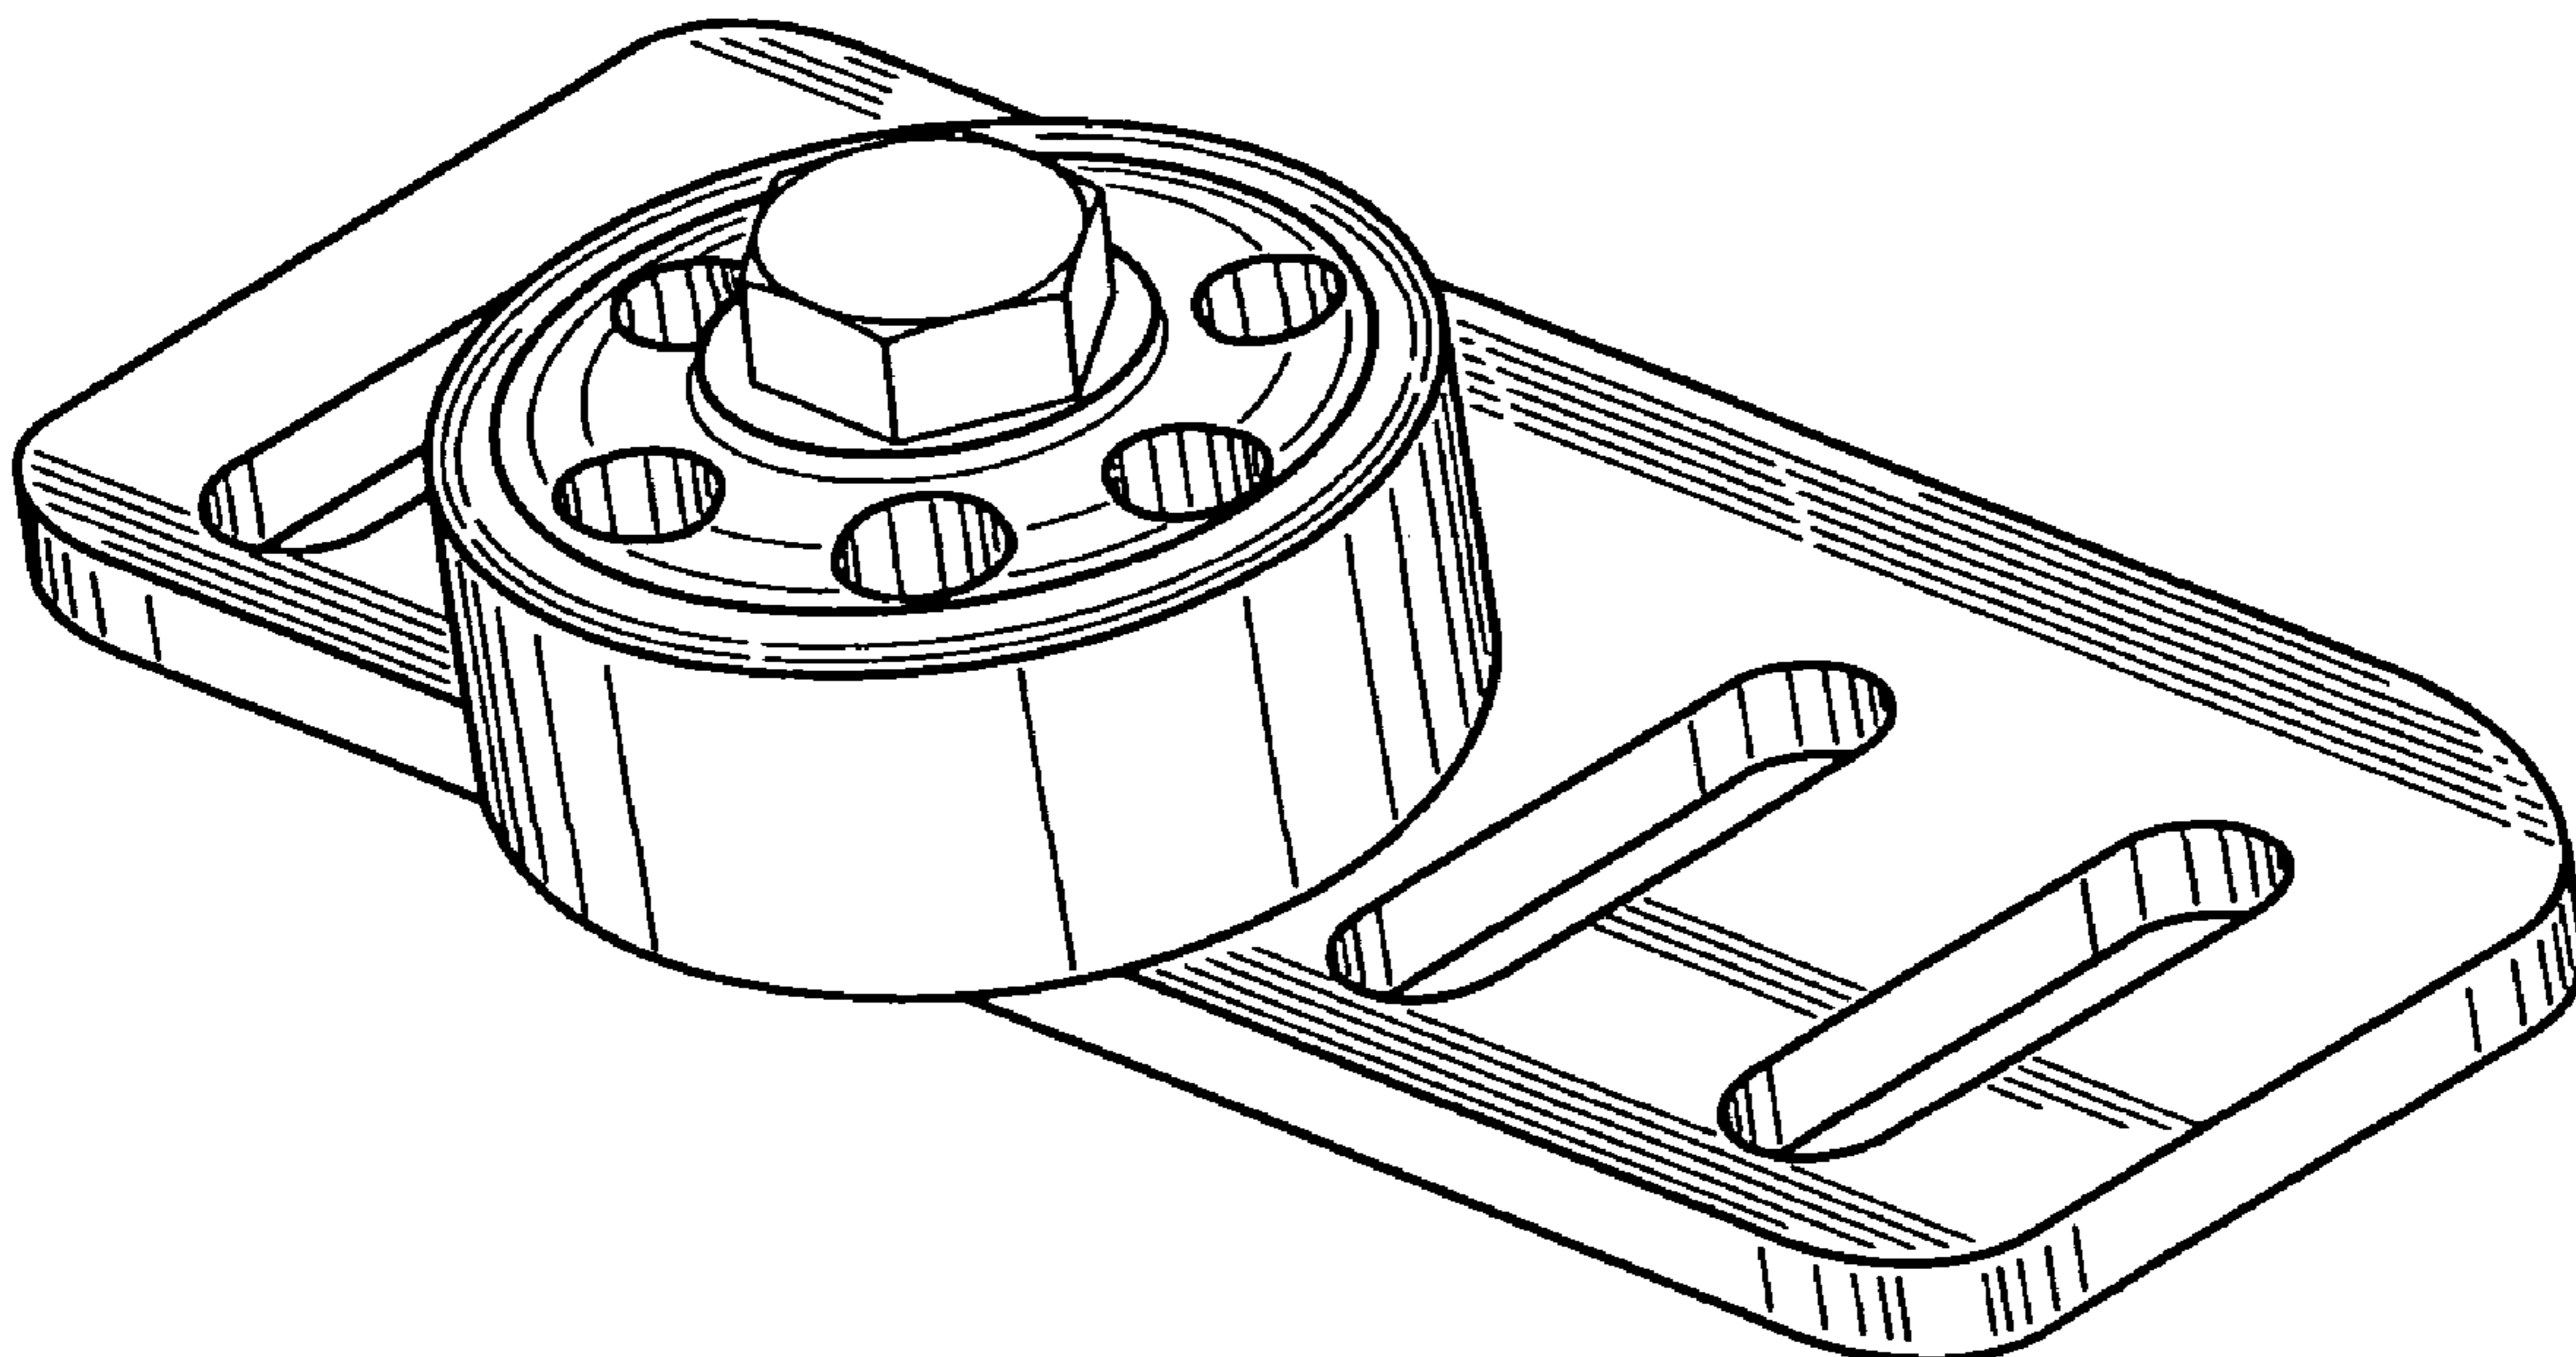

FIG. 6 is a back elevational view thereof.

FIG. 7 is a left end elevational view thereof; and,

FIG. 8 is a right end elevational view thereof.

The broken line figure of a snow blower shown in FIG. 1 is environmental, and forms no part of the invention.
