(57) **CLAIM**

The ornamental design for a motorcycle exhaust element, substantially as shown and described.

DESCRIPTION

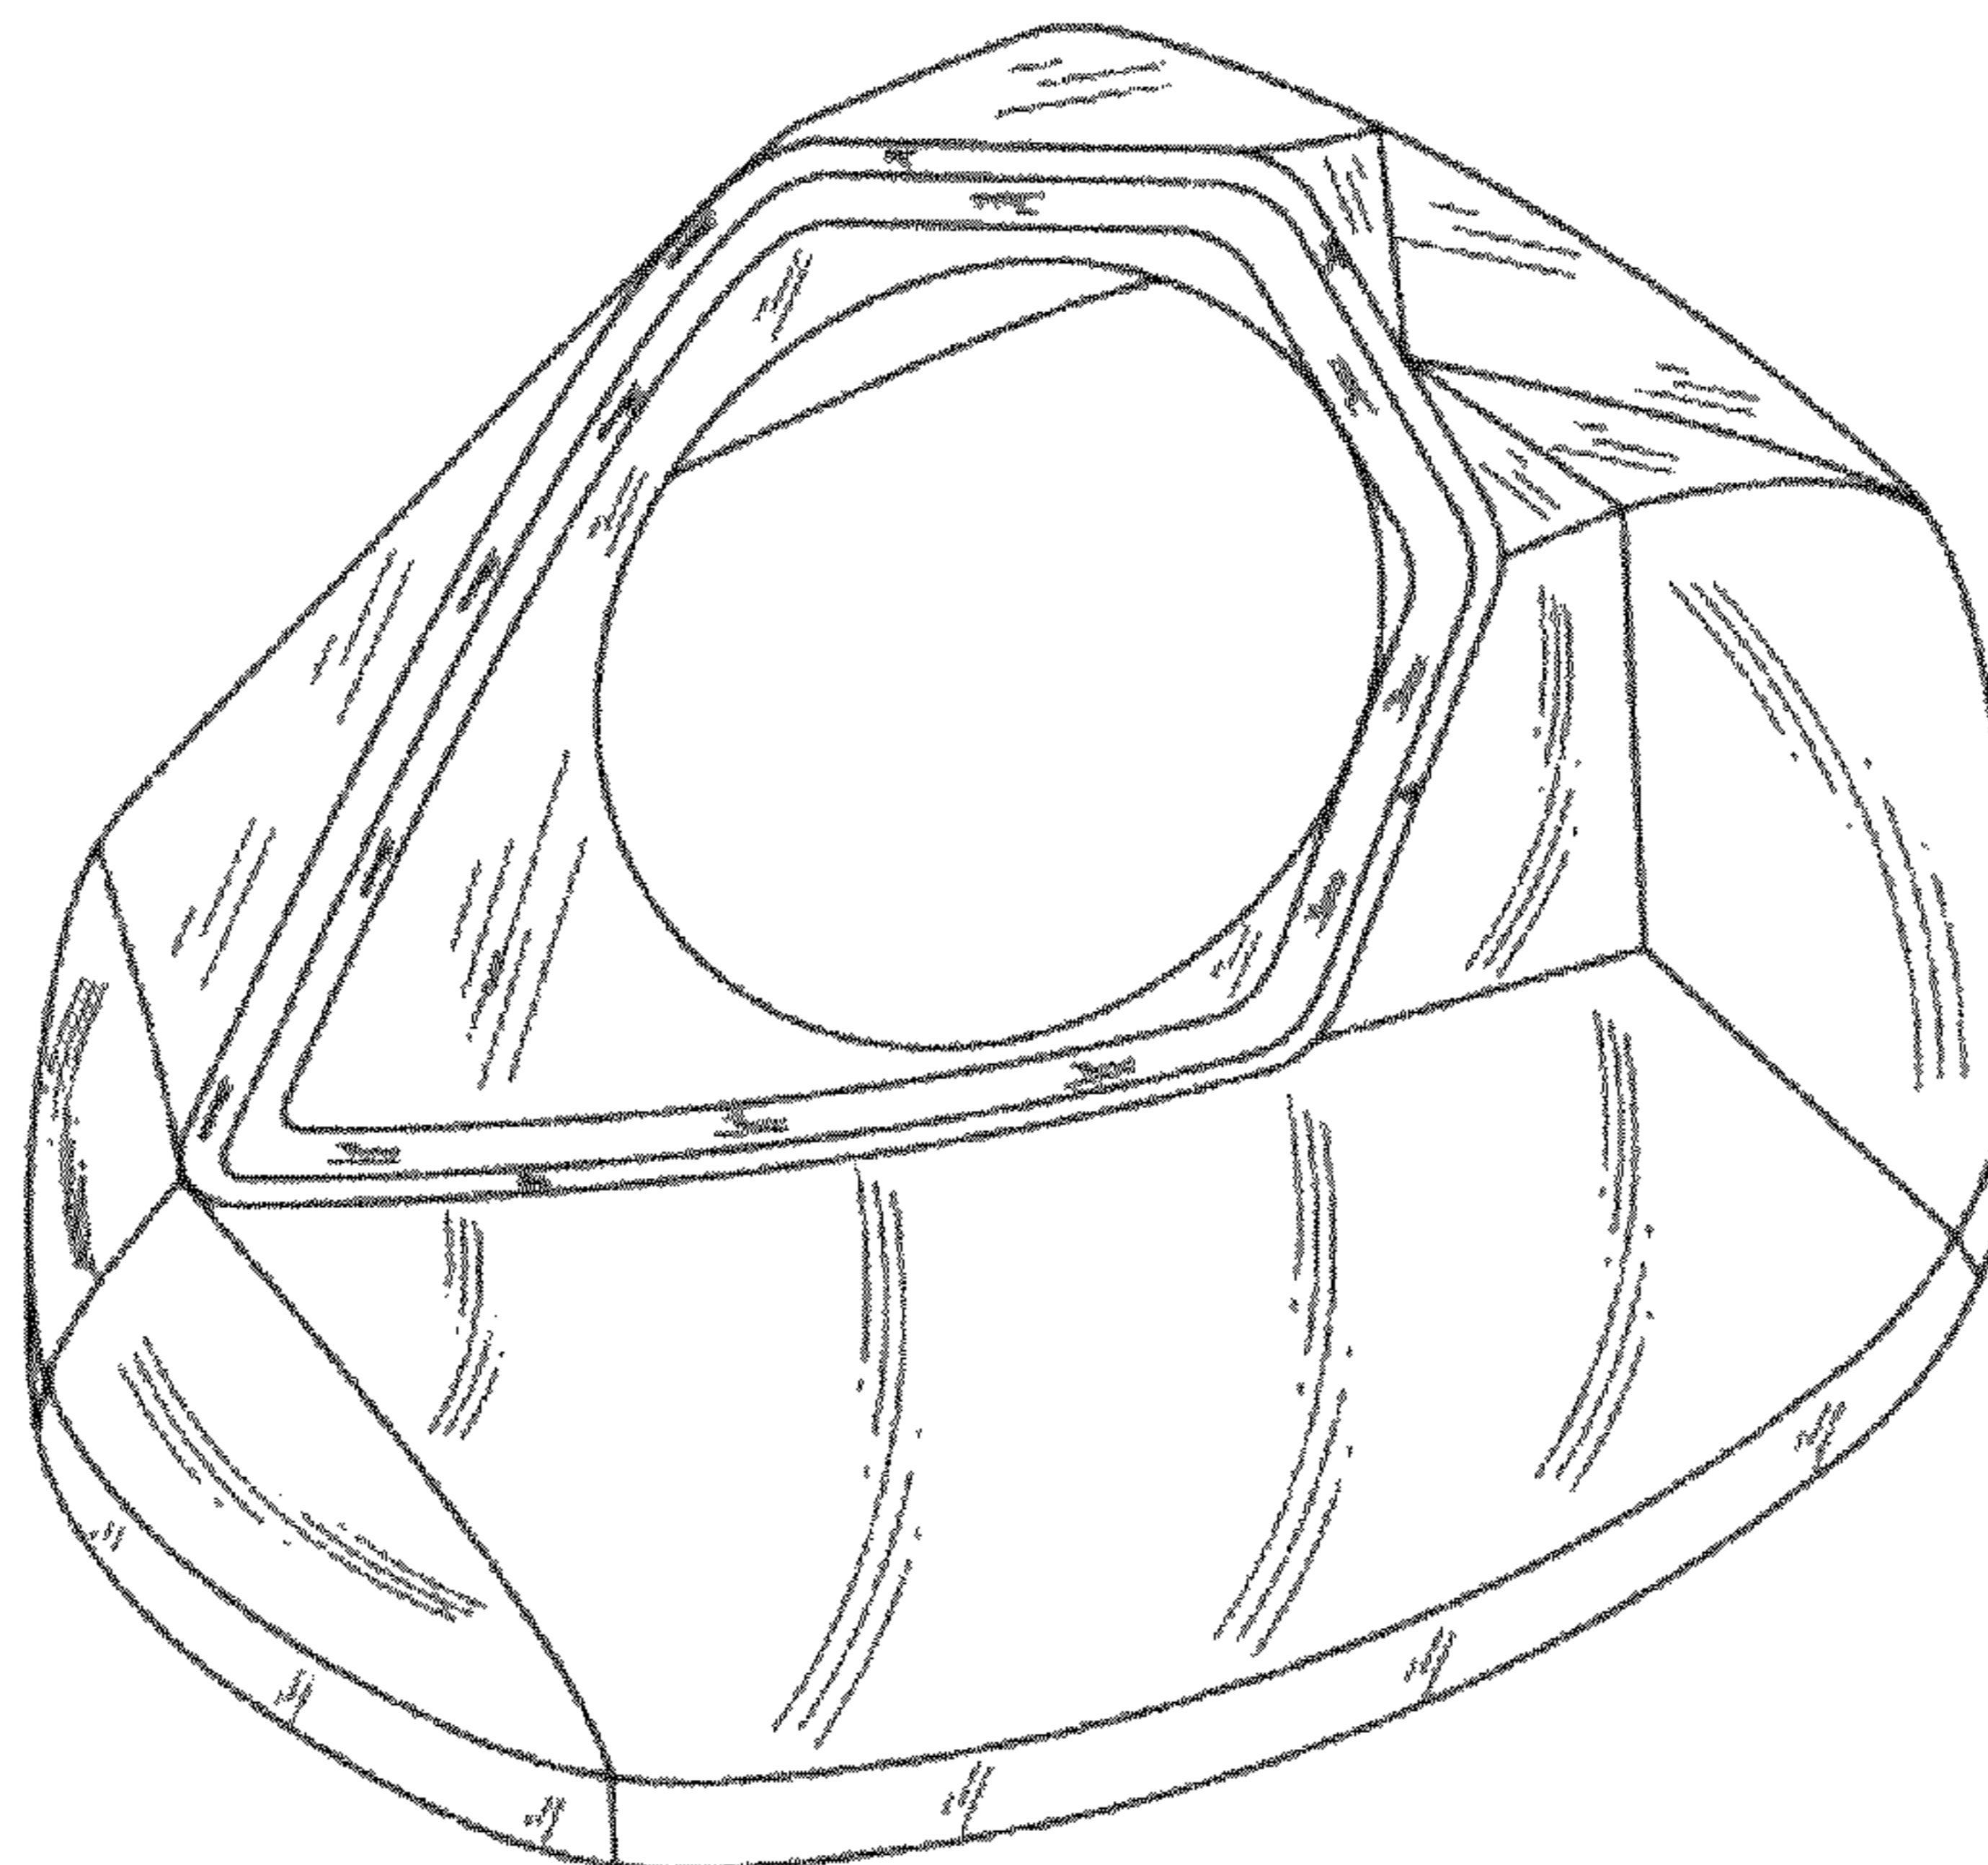

FIG. 1 is a perspective view, from the top right side of the motorcycle exhaust element of the present invention; FIG. 2 is a perspective view, from the top left side of the motorcycle exhaust element of the present invention; FIG. 3 is a plan, from the bottom end of the motorcycle exhaust element of the present invention; FIG. 4 is a plan view, from the top end of the motorcycle exhaust element of the present invention; FIG. 5 is side view, from the right side of the motorcycle exhaust element of the present invention; FIG. 6 is side view, from the left side of the motorcycle exhaust element of the present invention; FIG. 7 is an end view of the motorcycle exhaust element of the present invention; and, FIG. 8 is a back view of the motorcycle exhaust element of FIG. 7. The back surface of the motorcycle exhaust element forms no part of the claimed design. The back view of the motorcycle exhaust element, shown in broken lines in the FIG. 8, forms no part of the claimed design.
