(57) **CLAIM**

The ornamental design for a label printer, as shown and described.

DESCRIPTION

FIG. 1 is a right side perspective view of a label printer. FIG. 2 is a left side perspective view of a label printer. FIG. 3 is front elevational view of a label printer. FIG. 4 is a rear elevational view of a label printer. FIG. 5 is a left side elevational view of a label printer. FIG. 6 is a right side elevational view of a label printer. FIG. 7 is a top plan view of a label printer; and, FIG. 8 is a bottom plan view of a label printer.

The bottom surfaces, except for the recesses at the left and right bottom edges which continue around from the sides, are substantially flat having no significant depth or contour.

The DuraLabel logo on the open front cover in FIG. 8, which forms a part of the claimed design, is a registered trademark of Graphic Products Corporation.
