(57) **CLAIM**

The ornamental design for a cork grip for golf putters, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a first embodiment of the invention, the rear, right, and left view being substantially identical to the front view.

FIG. 2 is a bottom view of a first embodiment of the invention.

FIG. 3 is a top view of a first embodiment of the invention.

FIG. 4 is a front view of a second embodiment of the invention, the rear, right, and left view being substantially identical to the front view.

FIG. 5 is a bottom view of a second embodiment of the invention.

FIG. 6 is a top view of a second embodiment of the invention.

FIG. 7 is a front view of a third embodiment of the invention, the rear, right, and left view being substantially identical to the front view.

FIG. 8 is a bottom view of a third embodiment of the invention; and,

FIG. 9 is a top view of a third embodiment of the invention.

The broken line showing the shaft, as seen at least in FIGS. 1-3 and 6-8, forms no part of the claimed design.
