(57) **CLAIM**

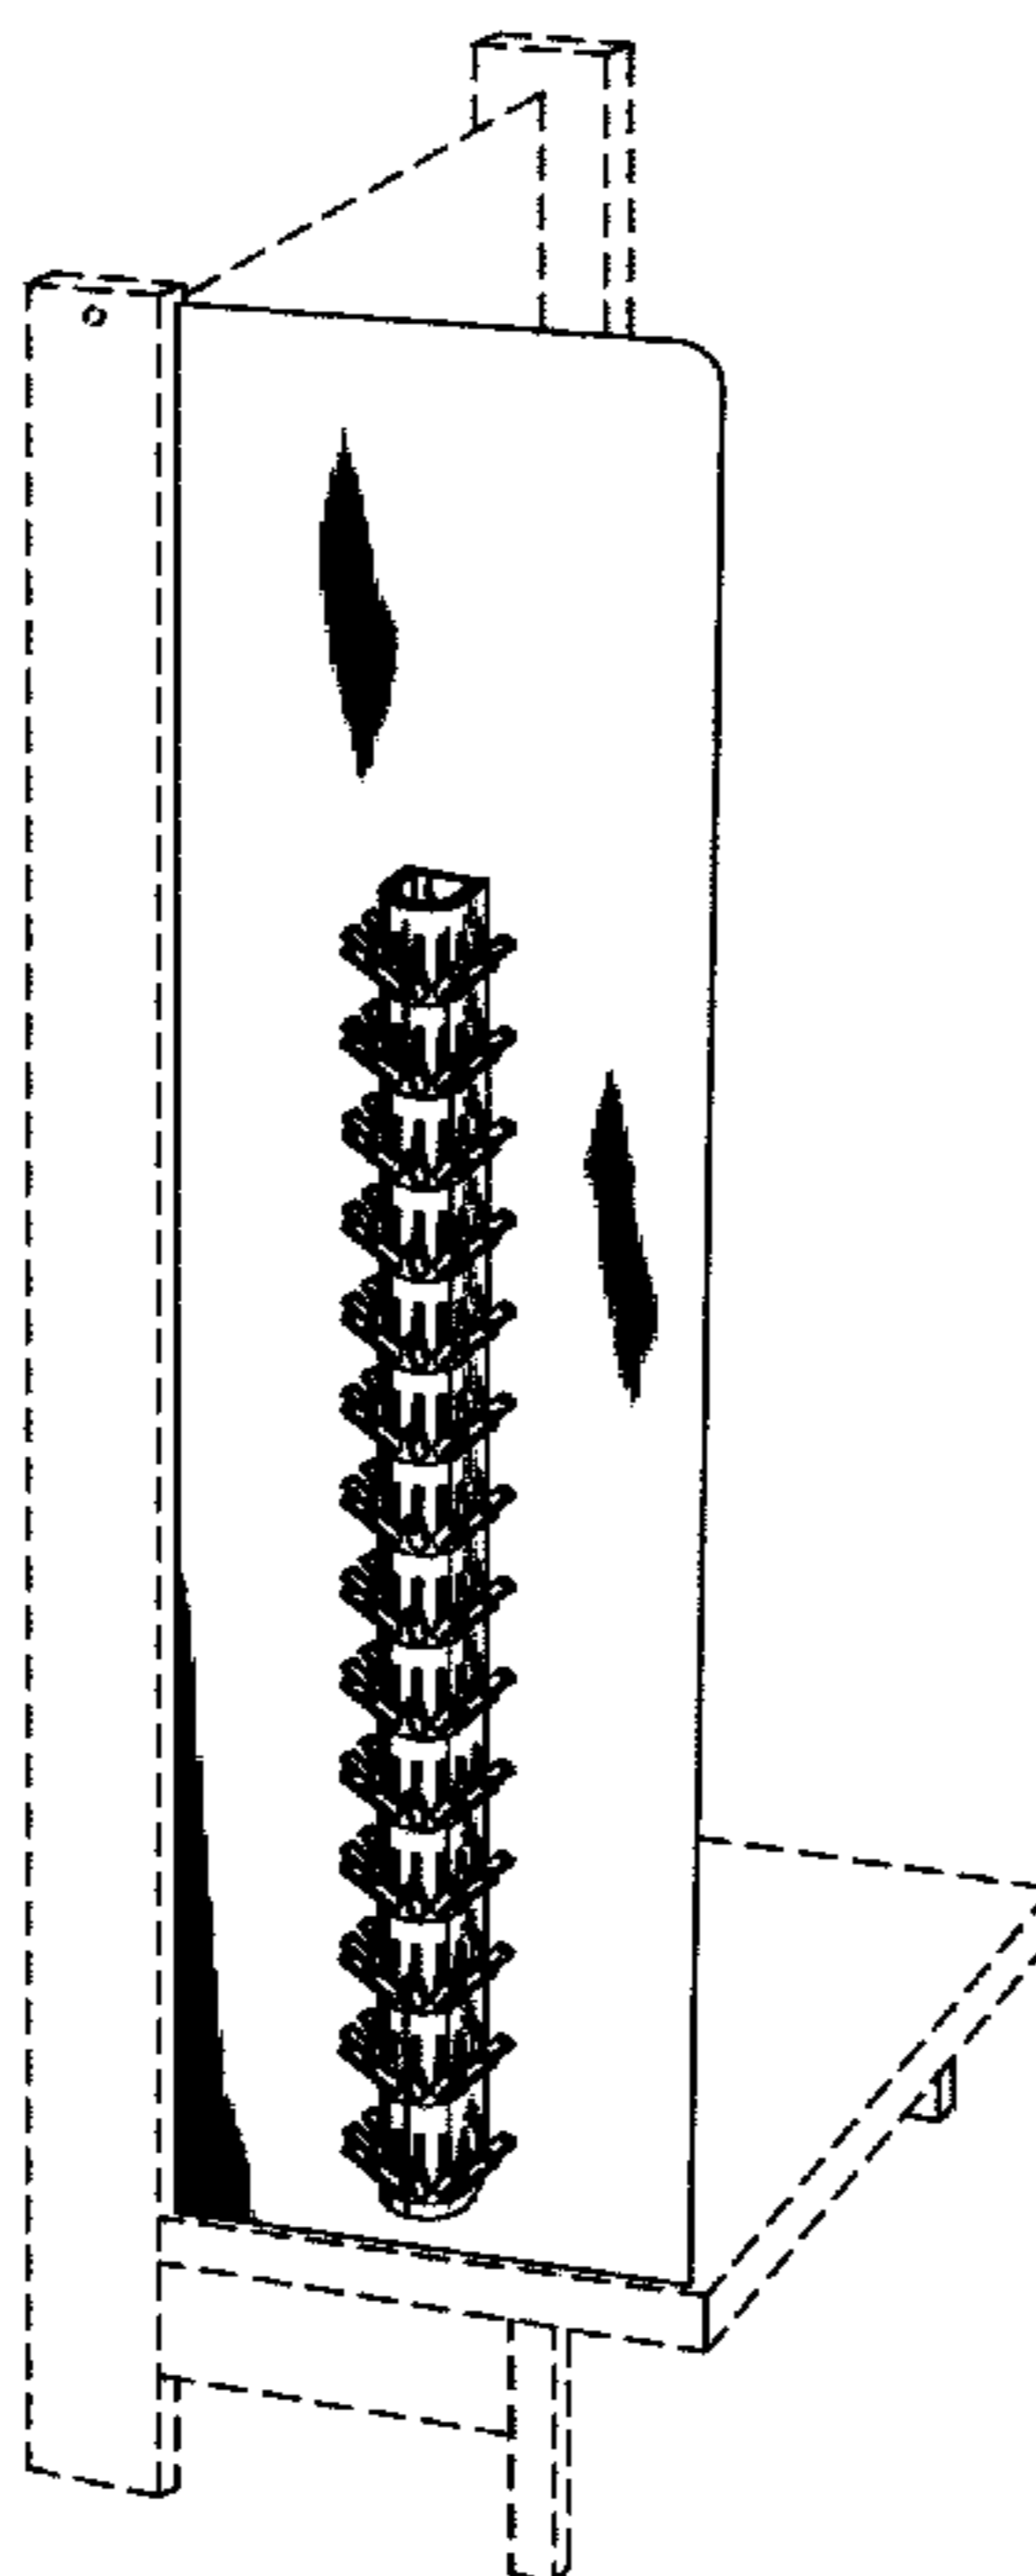

I claim the ornamental design for a lollipop support panel, as shown.

DESCRIPTION

FIG. 1 is a perspective view of the lollipop support panel according to the present invention;
 FIG. 2 is a front elevation view of the lollipop support panel;
 FIG. 3 is a left-side elevation view of the lollipop support panel according to the present invention;
 FIG. 4 is a right-side elevation view of the lollipop support panel according to the present invention;
 FIG. 5 is a rear elevation view of the lollipop support panel according to the present invention;
 FIG. 6 is another front elevation view of the lollipop support panel according to the present invention;
 FIG. 7 is a top planar view of the lollipop support panel according to the present invention; and,
 FIG. 8 is a bottom planar view of the lollipop support panel according to the present invention.

The display shelving supporting the lollipop support panel in FIG. 1 is shown in broken lines for illustrative purposes only and forms no part of the claimed design. Likewise, the lollipops are shown in FIG. 6 as broken lines and are for illustrative purposes only and form no part of the claimed design.
