(57) **CLAIM**

What is claimed is the ornamental design for a arrow window ornament, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the arrow window ornament of the new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a right-side elevational view thereof, the left-side elevational view being a mirror image thereof;

FIG. 5 is a top plan view thereof; and,

FIG. 6 is a bottom plan view thereof.

The broken lines showing a car window in FIG. 1 are included for the purpose of illustrating the invention in use, and form no part of the claimed design. The side, top and bottom views of the second embodiment are identical to those of the first embodiment.

The broken line circle and area within it in FIG. 2 depicts a portion of the novelty arrow window ornament that forms no part of the claimed design.

The broken line showing of a car window is included for the purpose of illustrating environment and forms no part of the claimed design.
