(57) **CLAIM**

The ornamental design for an absorbent article material with surface indicia, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a top view of an embodiment of an absorbent article material with surface indicia.

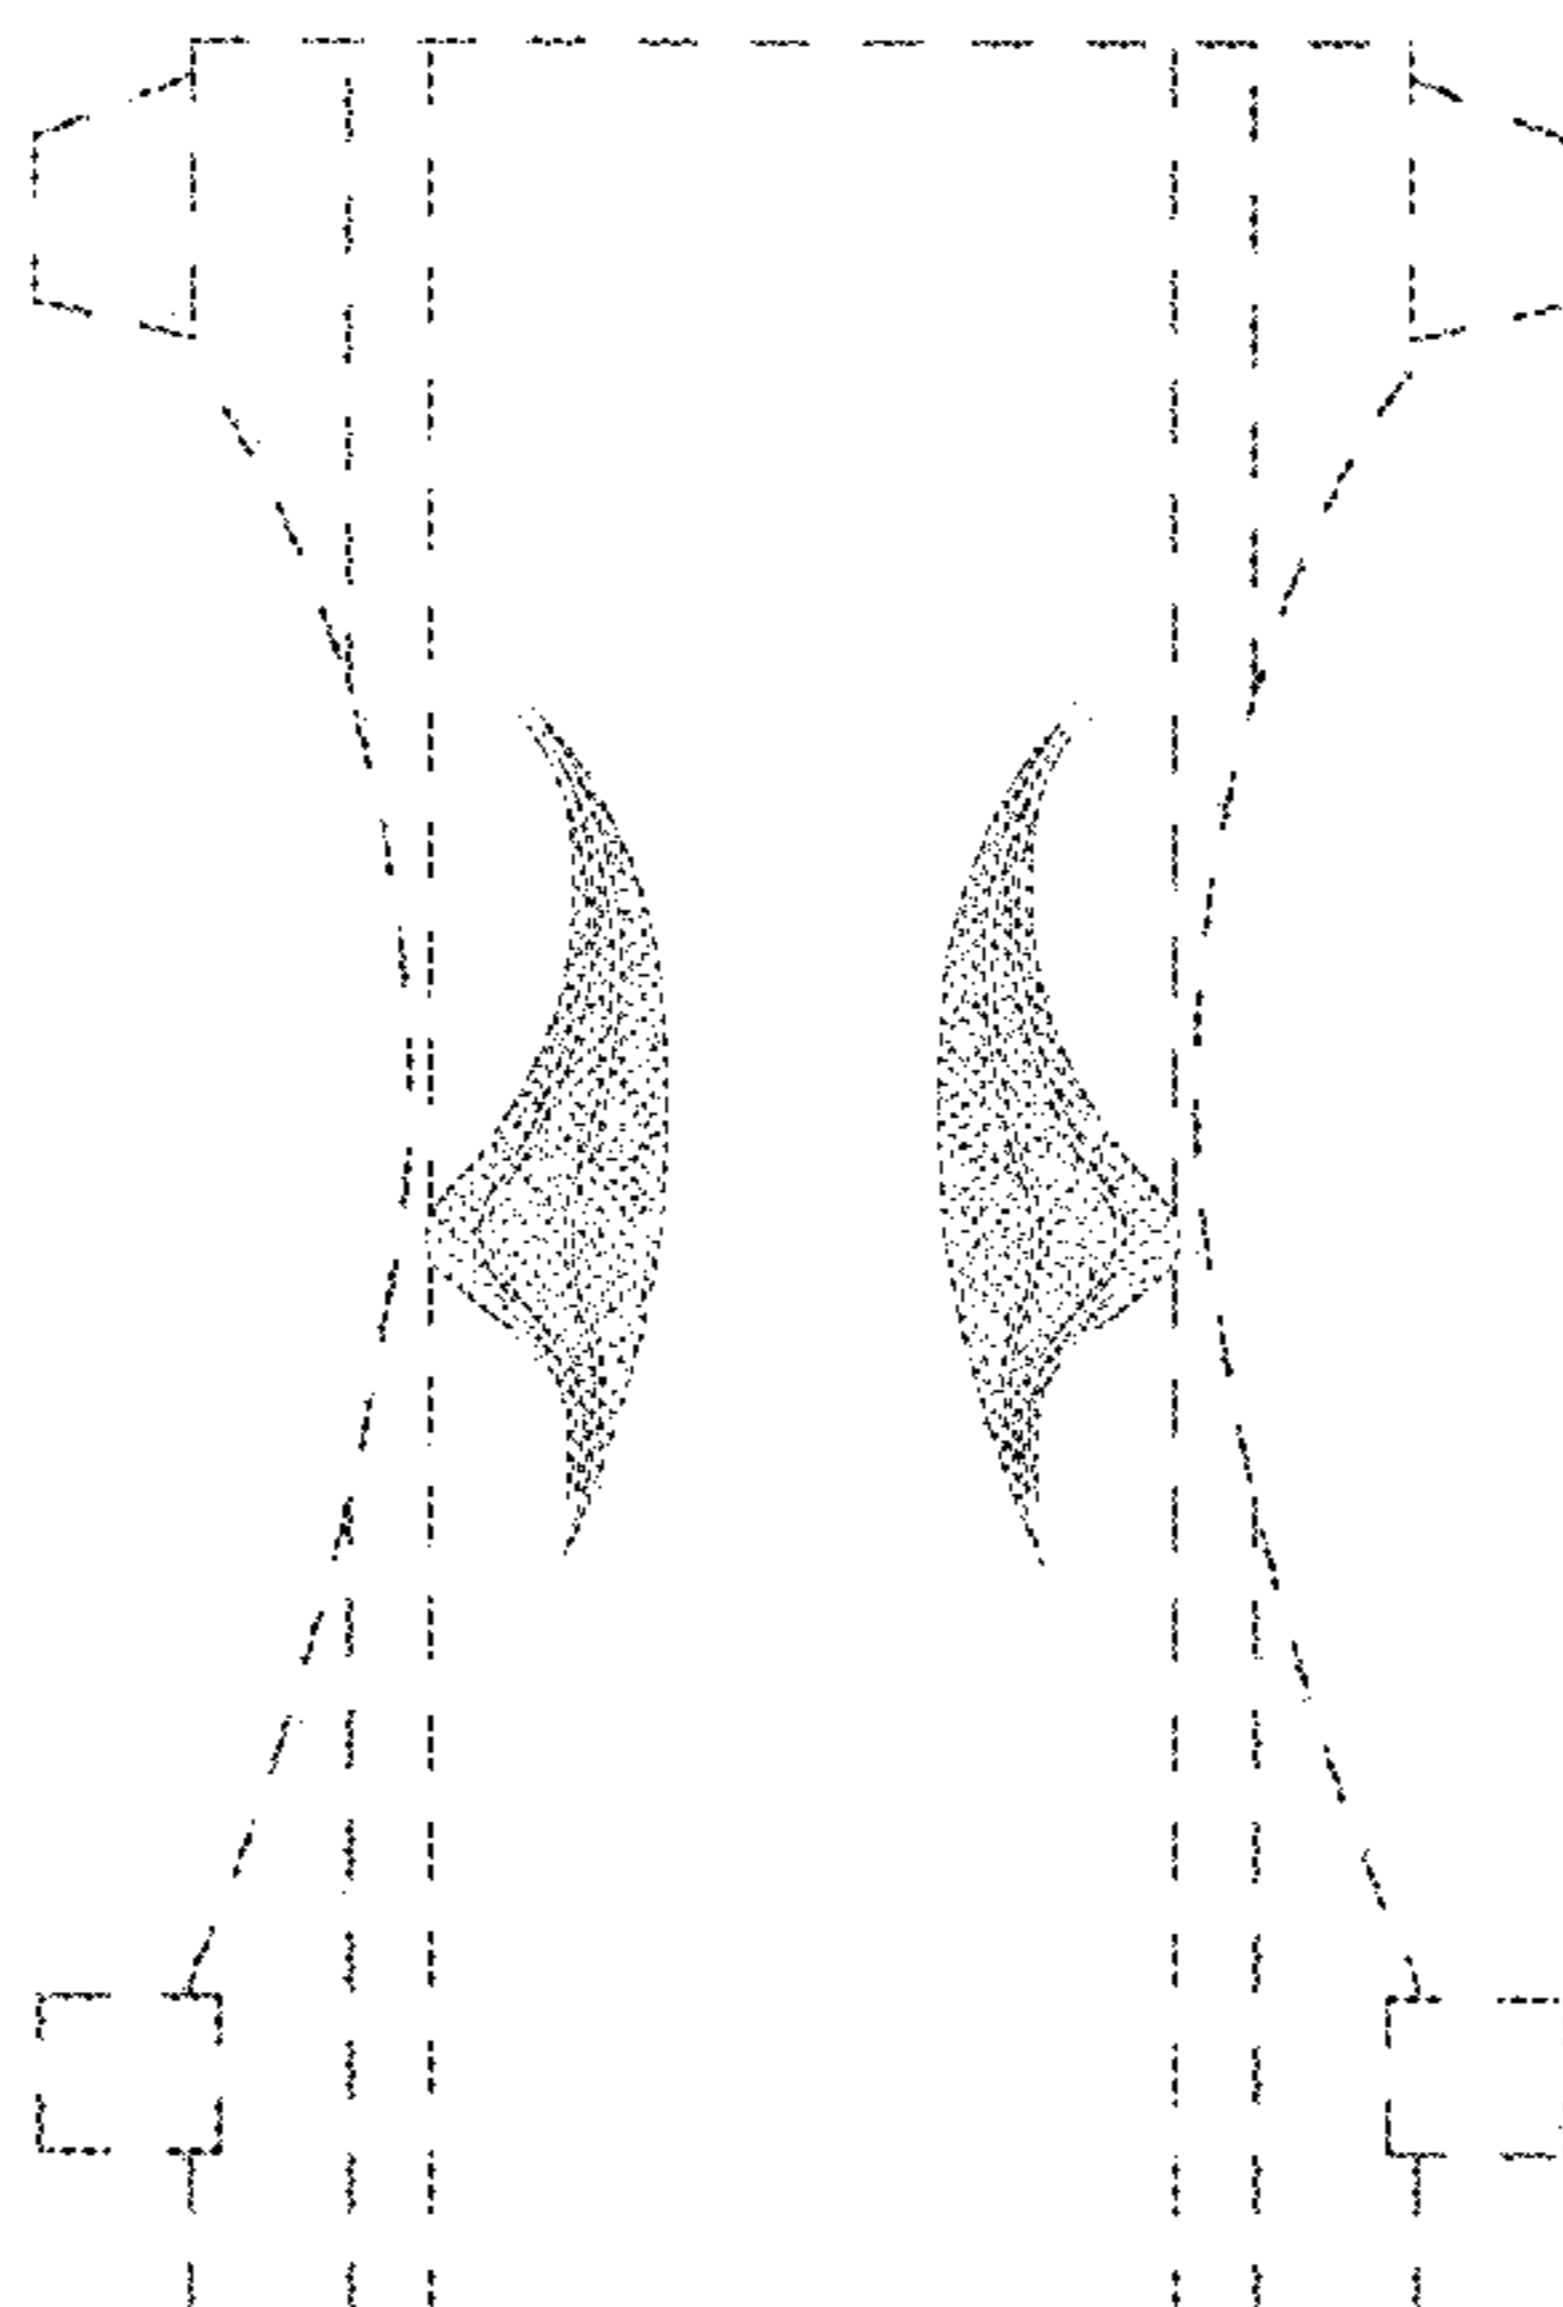

FIG. 2 is a top view of a second embodiment of an absorbent article material with surface indicia; and,

FIG. 3 is a top view of a third embodiment of an absorbent article material with surface indicia.

The broken lines shown are for illustrative purposes only and form no part of the claimed design.

The stippling represents a surface having a color that contrasts with the color of the surface that does not include stippling.
