(57) **CLAIM**

The ornamental design for a display screen with user interface with orange colored bar, as shown and described.

DESCRIPTION

The patent or application the contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen with user interface with orange colored bar showing the new design.

The broken line showing of the remainder of the user interface and of the display screen is for environmental purposes only and forms no part of the claimed design.
