(57) **CLAIM**

The ornamental design for an icon for a portion of a display screen, as shown and described.

See application file for complete search history.

DESCRIPTION

The patent file contains at least one drawing executed in color. Copies of this patent with a color drawing will be provided by the Office upon request and payment of the necessary fee. FIG. 1 is a front view of an icon for a portion of a display screen showing my new design; and, FIG. 2 is a front view of a second embodiment of an icon for a portion of a display screen. The broken line showing of a portion of the display screen is for the purpose of illustrating environmental structure and forms no part of the claimed design.
