(57) **CLAIM**

The ornamental design for a putter mountable golf ball striking panel, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a putter mountable golf ball striking panel showing my new design;
 FIG. 2 is a rear elevational view of the putter mountable golf ball striking panel;
 FIG. 3 is a side elevational view of the putter mountable golf ball striking panel;
 FIG. 4 is a top plan view of the putter mountable golf ball striking panel; and,
 FIG. 5 is a front isometric view of the putter mountable golf ball striking panel, the portions in phantom being for illustrative purposes only and forming no portion of the claimed invention.
