(57) **CLAIM**

The ornamental design for a container cap with hose connector, as shown and described.

DESCRIPTION

FIG. 1 is a top and front and right side perspective view of the container cap with hose connector showing our new design, the bottom and rear and left side perspective view being a mirror image thereof;

FIG. 2 is a top plan view of the container cap with hose connector of FIG. 1;

FIG. 3 is a front elevation view of the container cap with hose connector of FIG. 1, the rear elevation view being a mirror image thereof; and,

FIG. 4 is a bottom plan view of the container cap with hose connector.
