Primary Examiner — Melanie H Tung

(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

The single FIGURE is a front view of a display screen or portion thereof with a graphical user interface in accordance with the present design.

The broken line showing of the display screen or portion thereof, text and other graphic elements form no part of the claimed design.

1 Claim, 1 Drawing Sheet
