(57) **CLAIM**

The ornamental design for a bodycore exercise board, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the top surface of my new design for a bodycore exercise board.

FIG. 2 is a perspective view of the bottom surface of my new design for a bodycore exercise board.

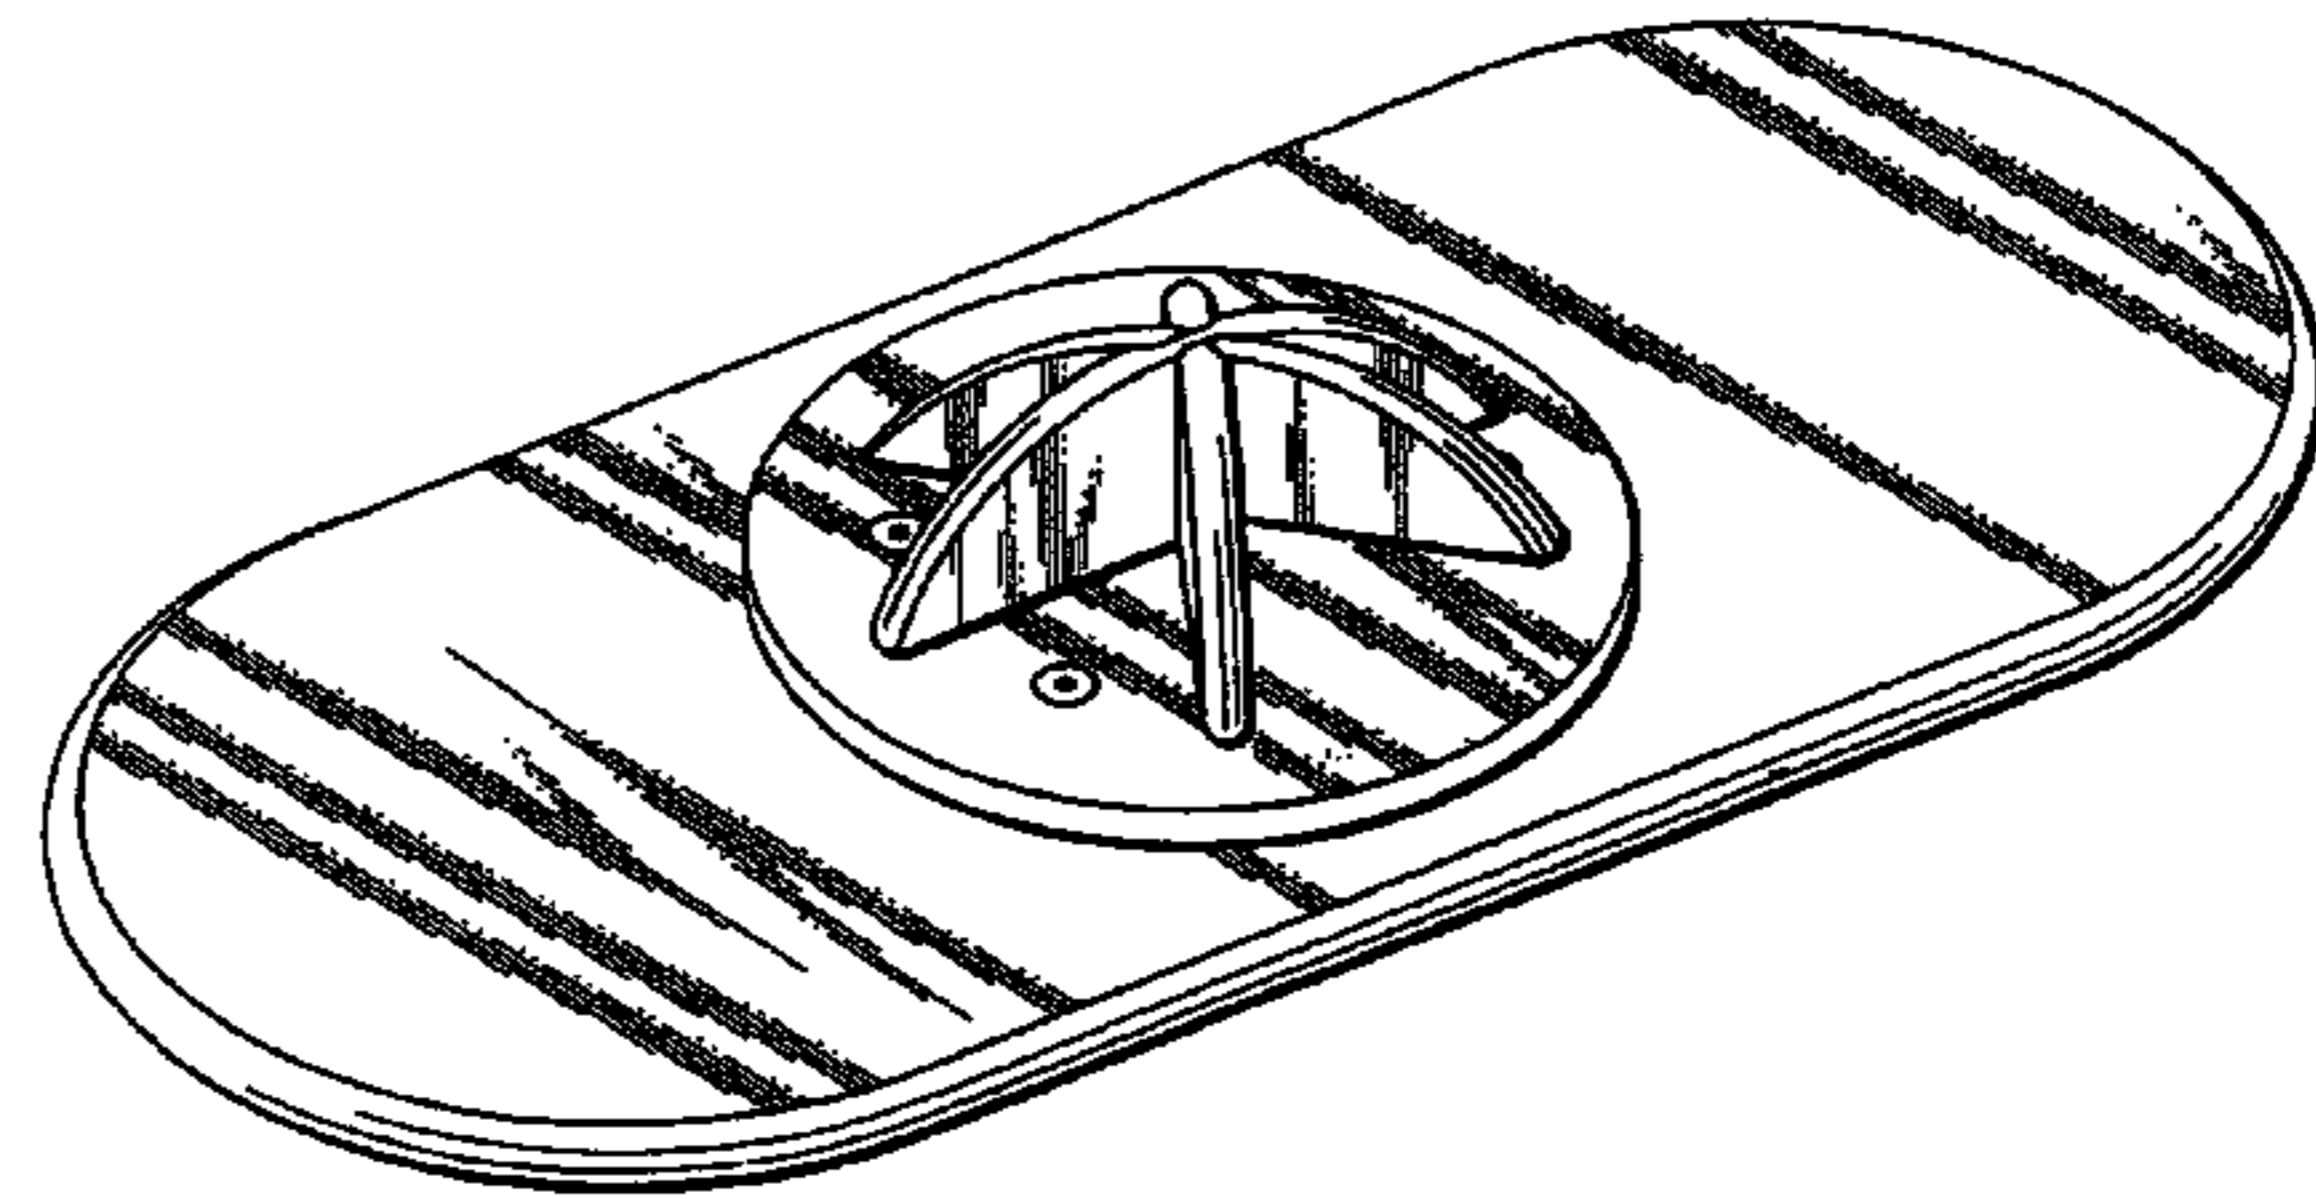

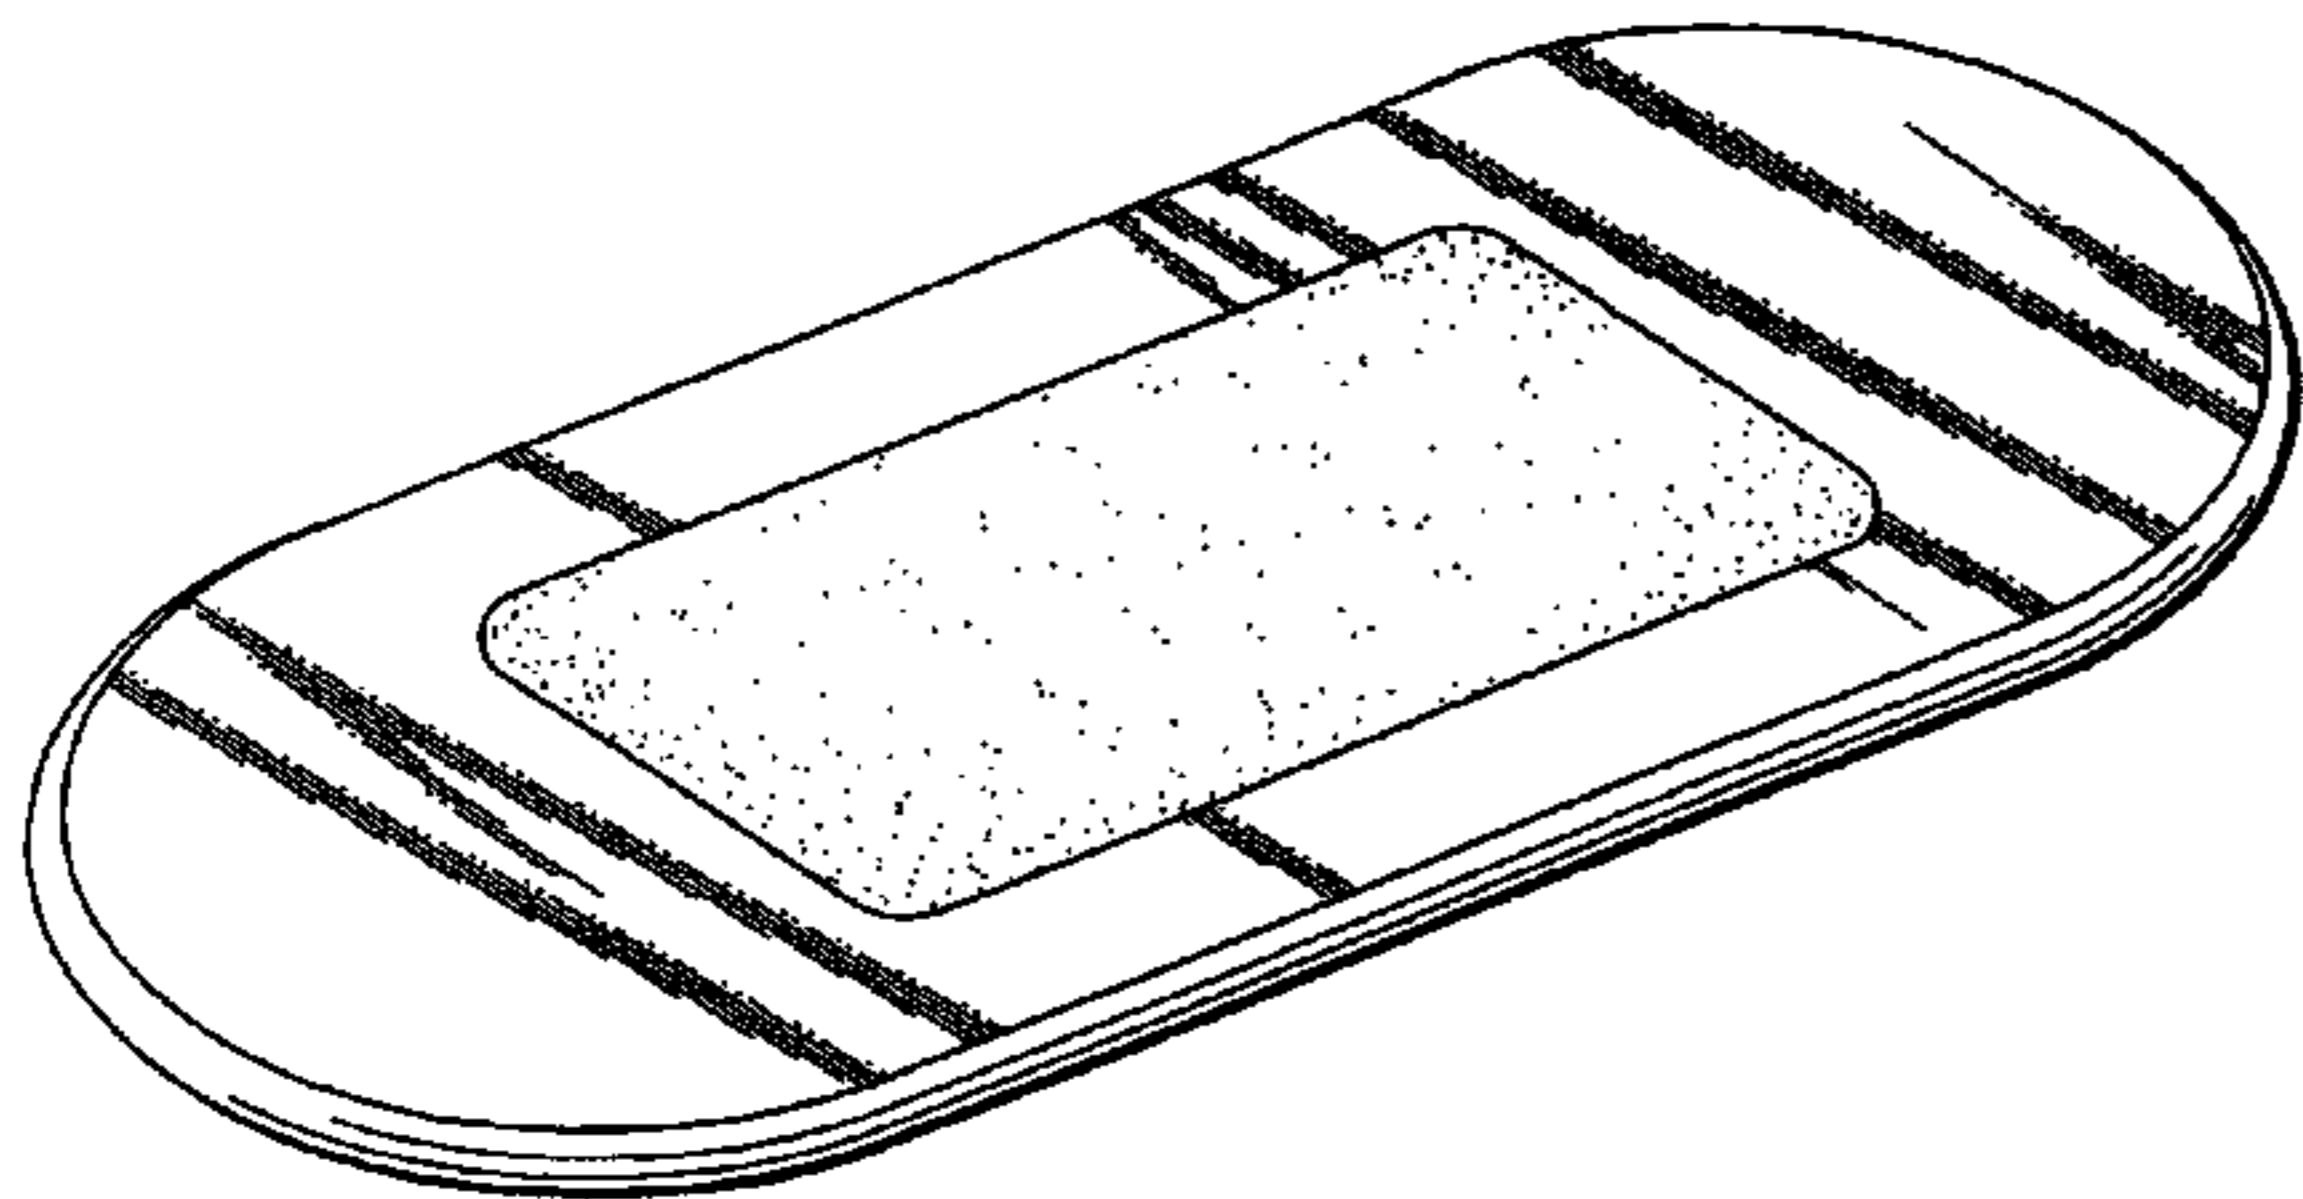

FIG. 3 is plan view from the top thereof.

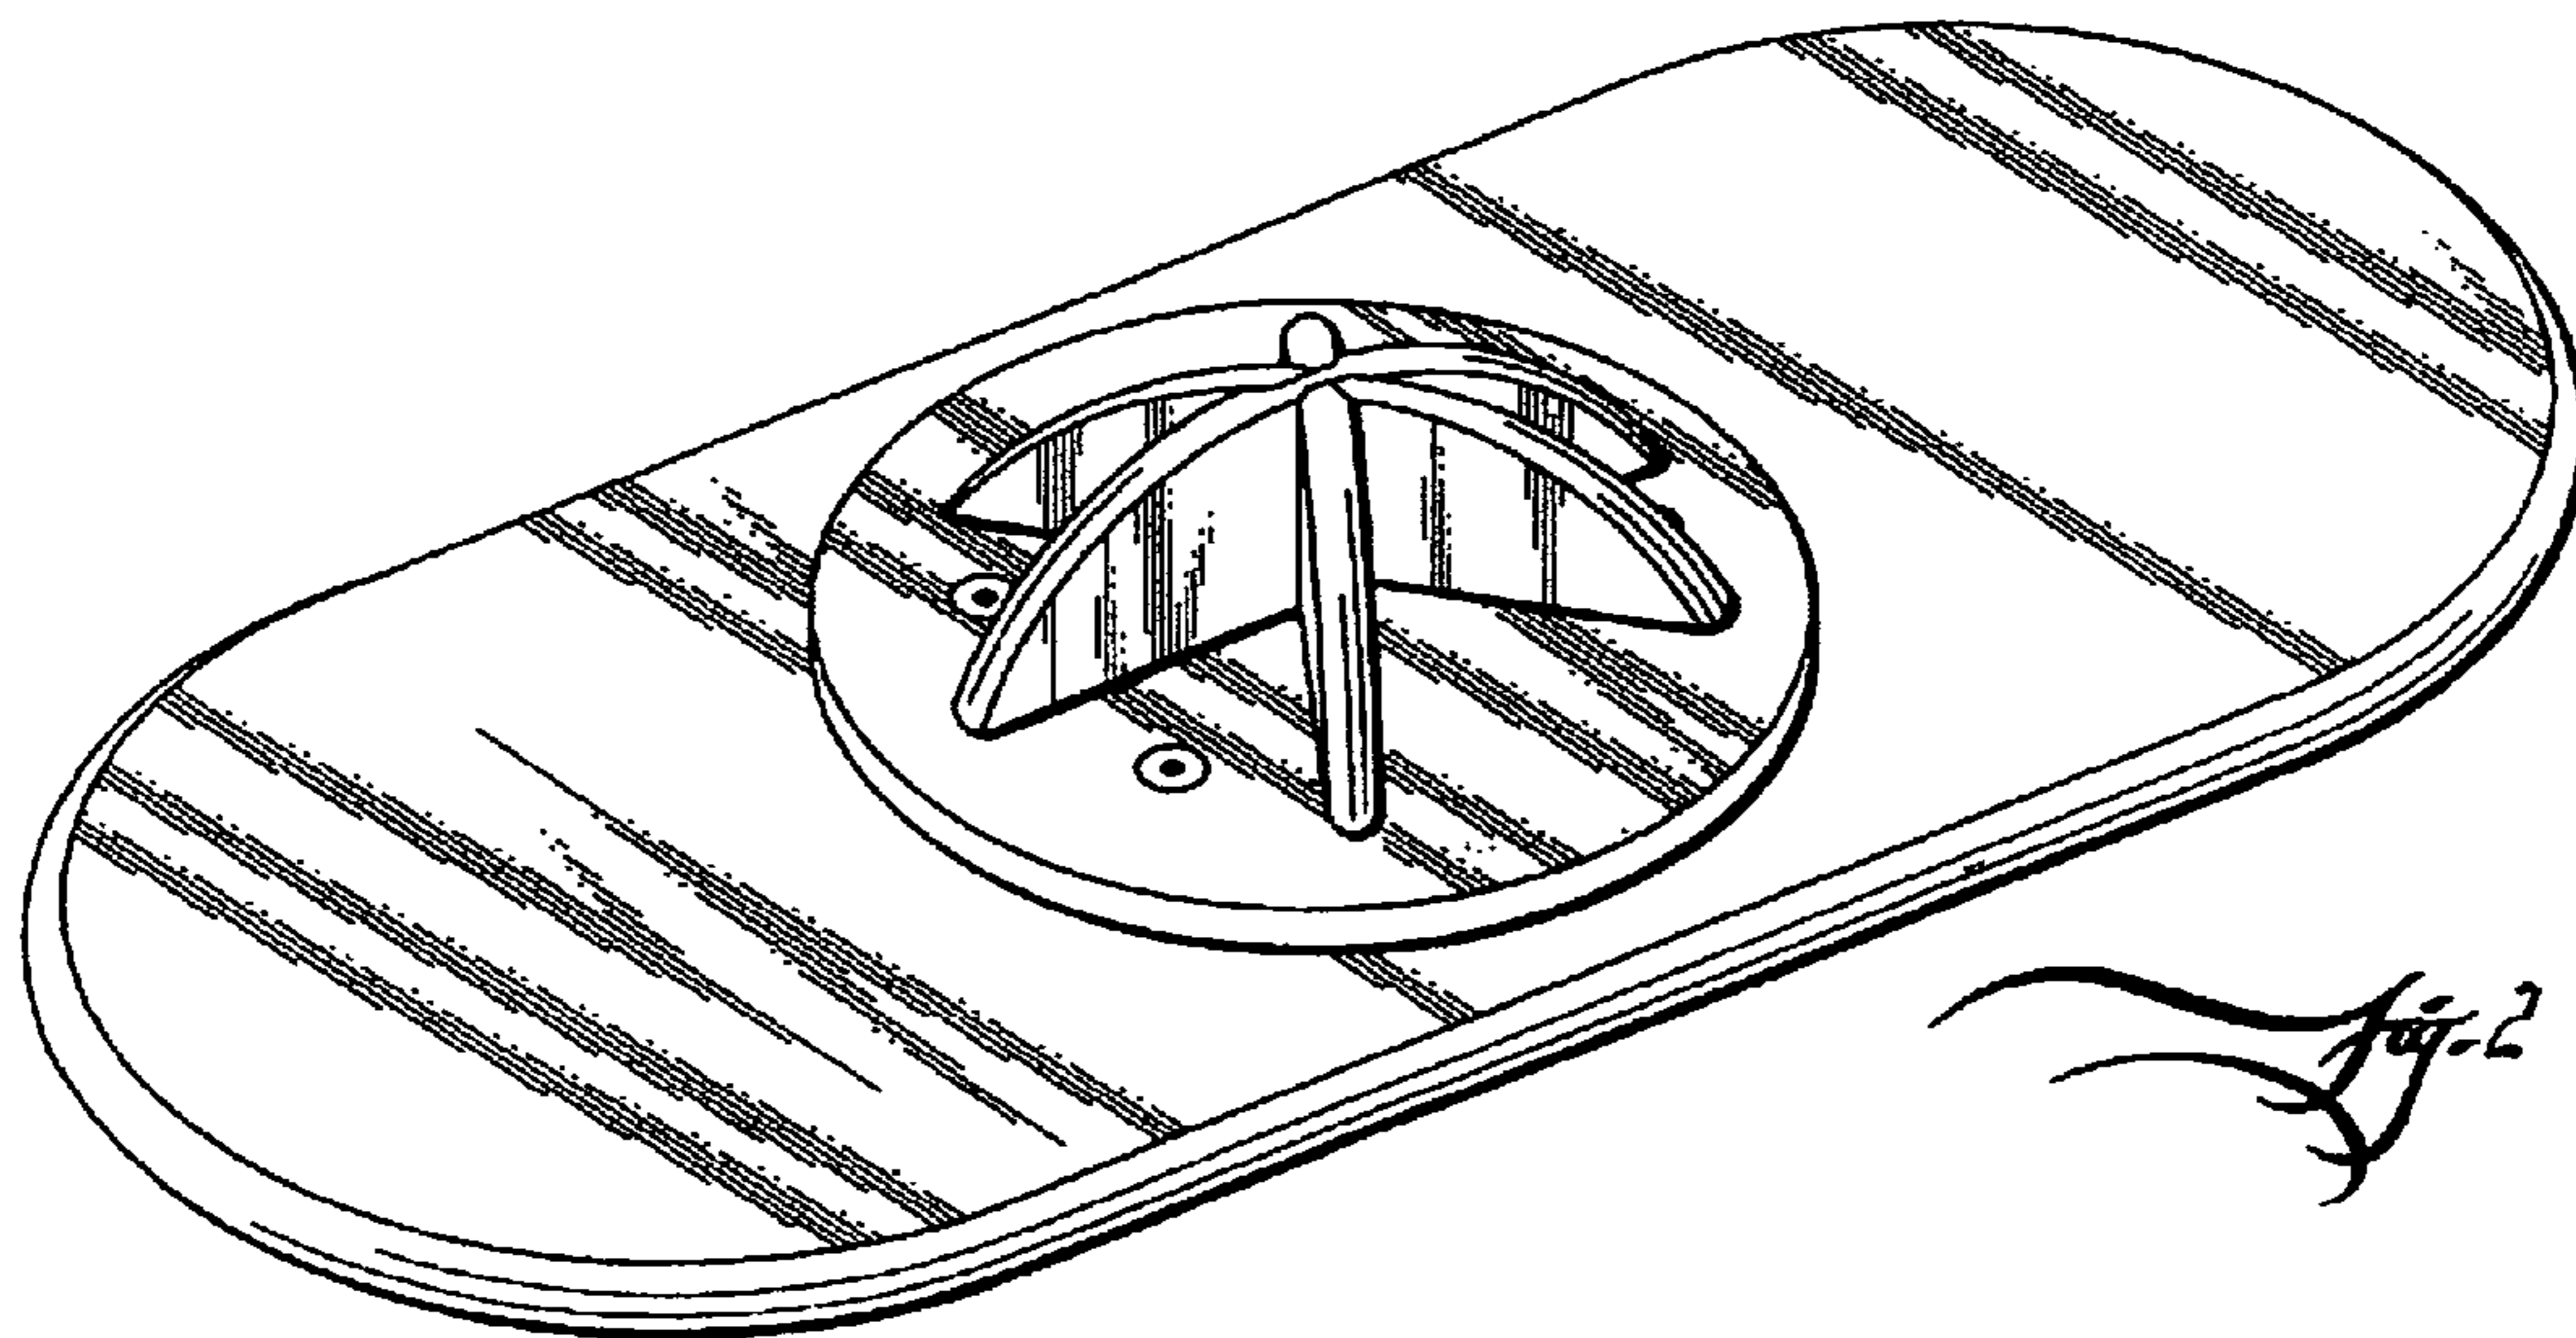

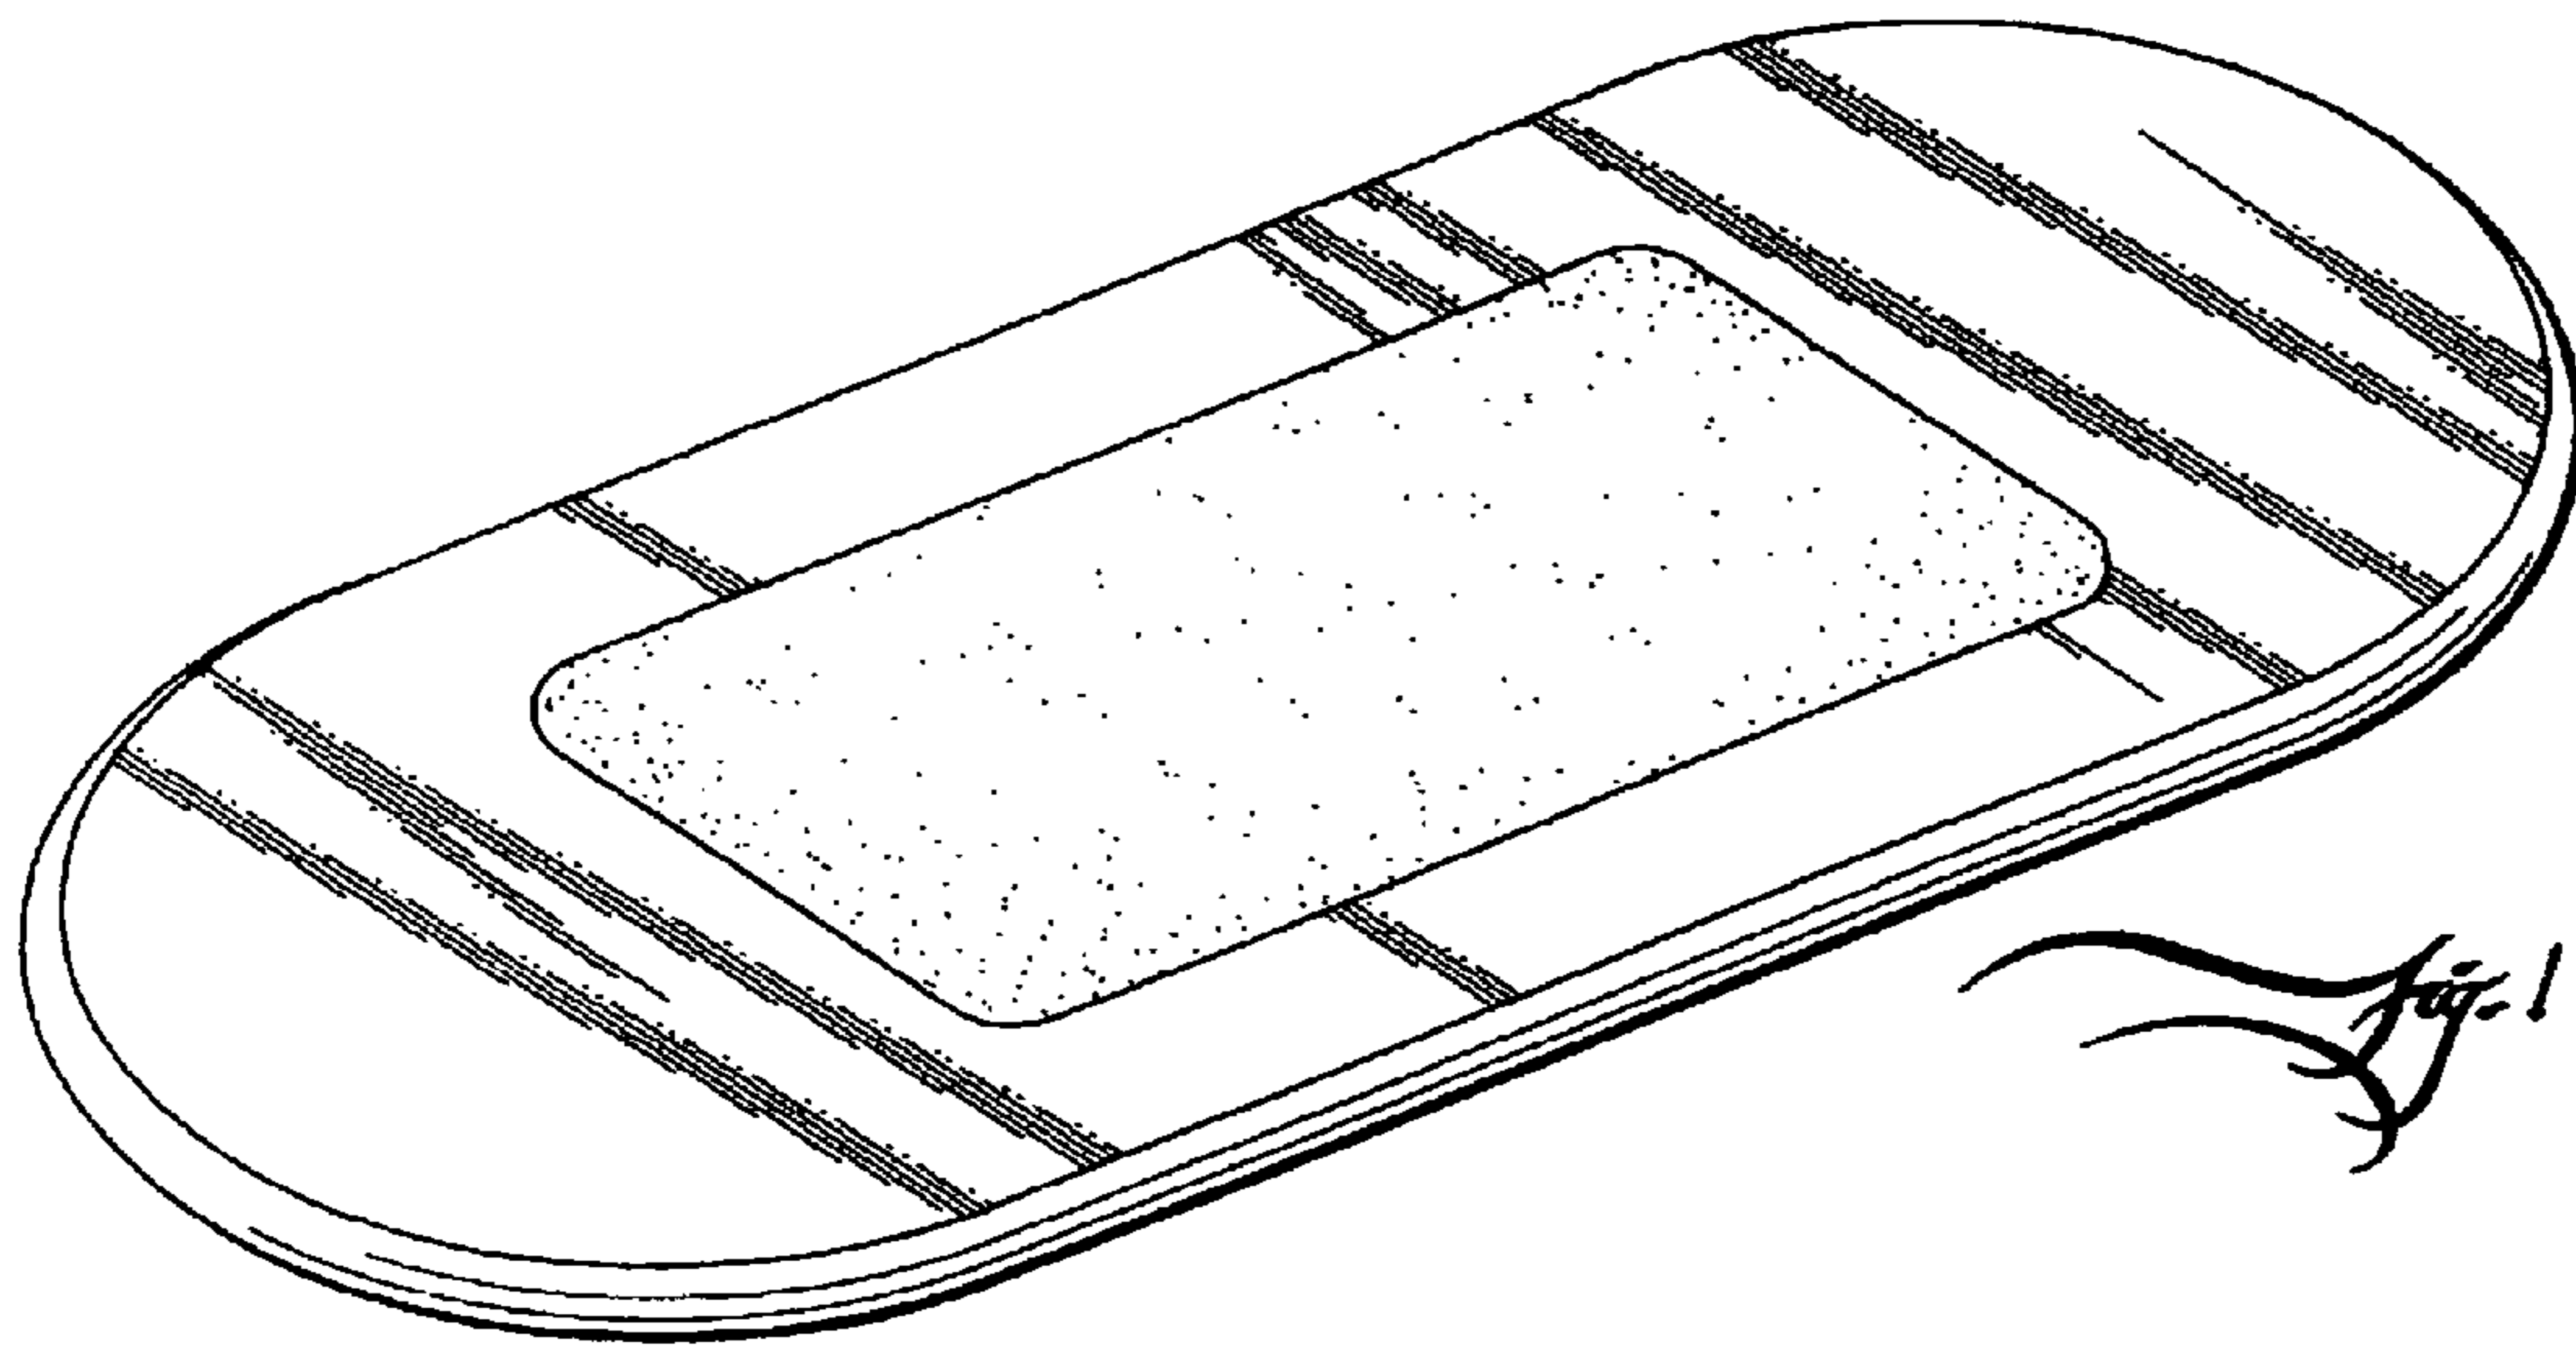

FIG. 4 is a plan view from the bottom thereof.

FIG. 5. is an elevational view of the front of my new design. An elevational view of the back would be a mirror image thereof; and,

FIG. 6 is an elevational view of one end of my new design. An elevational view of the opposite end would be a mirror image thereof.
