(57) **CLAIM**

We claim the ornamental design for a hand operated cutting tool, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the hand operated cutting tool of the claimed design.

FIG. 2 is a top view of the hand operated cutting tool of the claimed design.

FIG. 3 is a back view of the hand operated cutting tool of the claimed design.

FIG. 4 is a right side view of the hand operated cutting tool of the claimed design; and,

FIG. 5 is a left side view of the hand operated cutting tool of the claimed design.

The broken line showing of the cutting tool is included for purpose of illustrating portions of the article and forms no part of the claimed design.
