(57) **CLAIM**

The ornamental design for a docking station for portable electronics with voids for connector pass-through, as shown and described.

DESCRIPTION

FIG. 1 is a left side view of a docking station for portable electronics;

FIG. 2 is an isometric view of the bottom and front of a docking station for portable electronics;

FIG. 3 is an isometric view of the top, right side, and front of a docking station for portable electronics;

FIG. 4 is a back view of a docking station for portable electronics;

FIG. 5 is a top view of a docking station for portable electronics;

FIG. 6 is a bottom view of a docking station for portable electronics;

FIG. 7 is a right side view of a docking station for portable electronics; and,

FIG. 8 is a front view of a docking station for portable electronics.

1 Claim, 8 Drawing Sheets

FIG. 1

FIG. 2

FIG. 3
