(57) **CLAIM**

The ornamental design for a pitting edema simulator for an arm, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the pitting edema simulator for an arm;

FIG. 2 is a front elevation view of the pitting edema simulator for an arm;

FIG. 3 is a rear elevation view of the pitting edema simulator for an arm;

FIG. 4 is a right side elevation view of the pitting edema simulator for an arm;

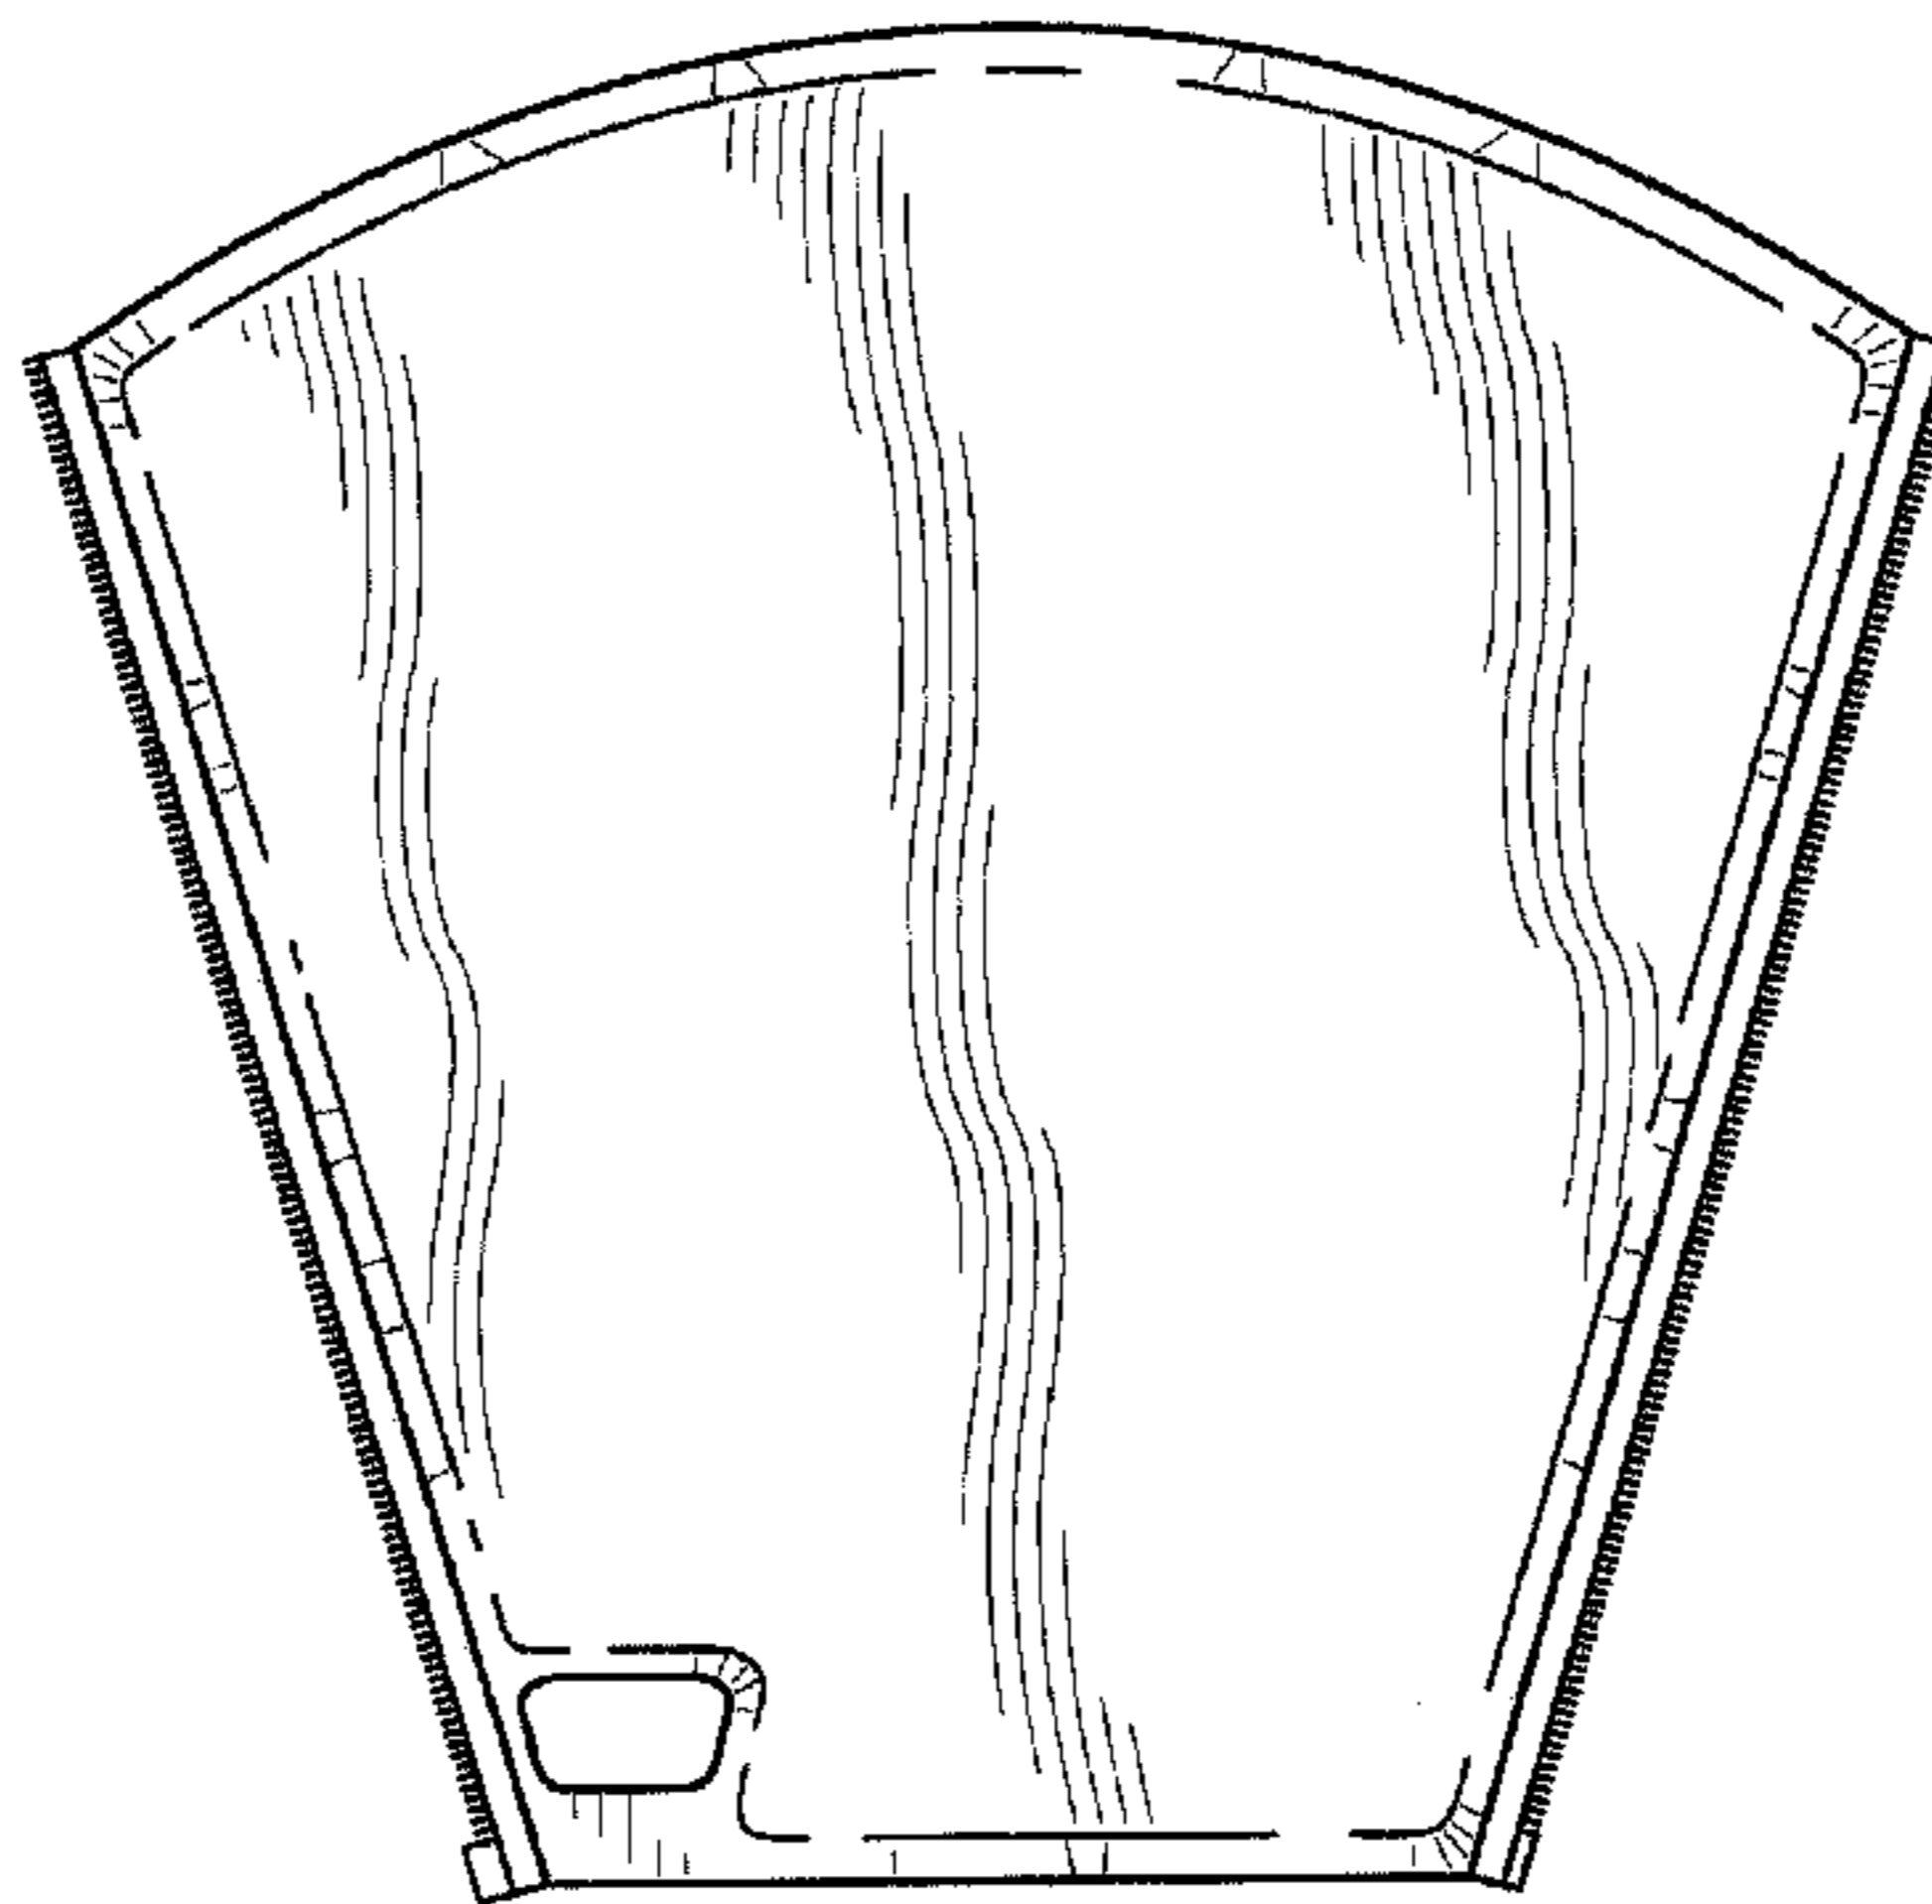

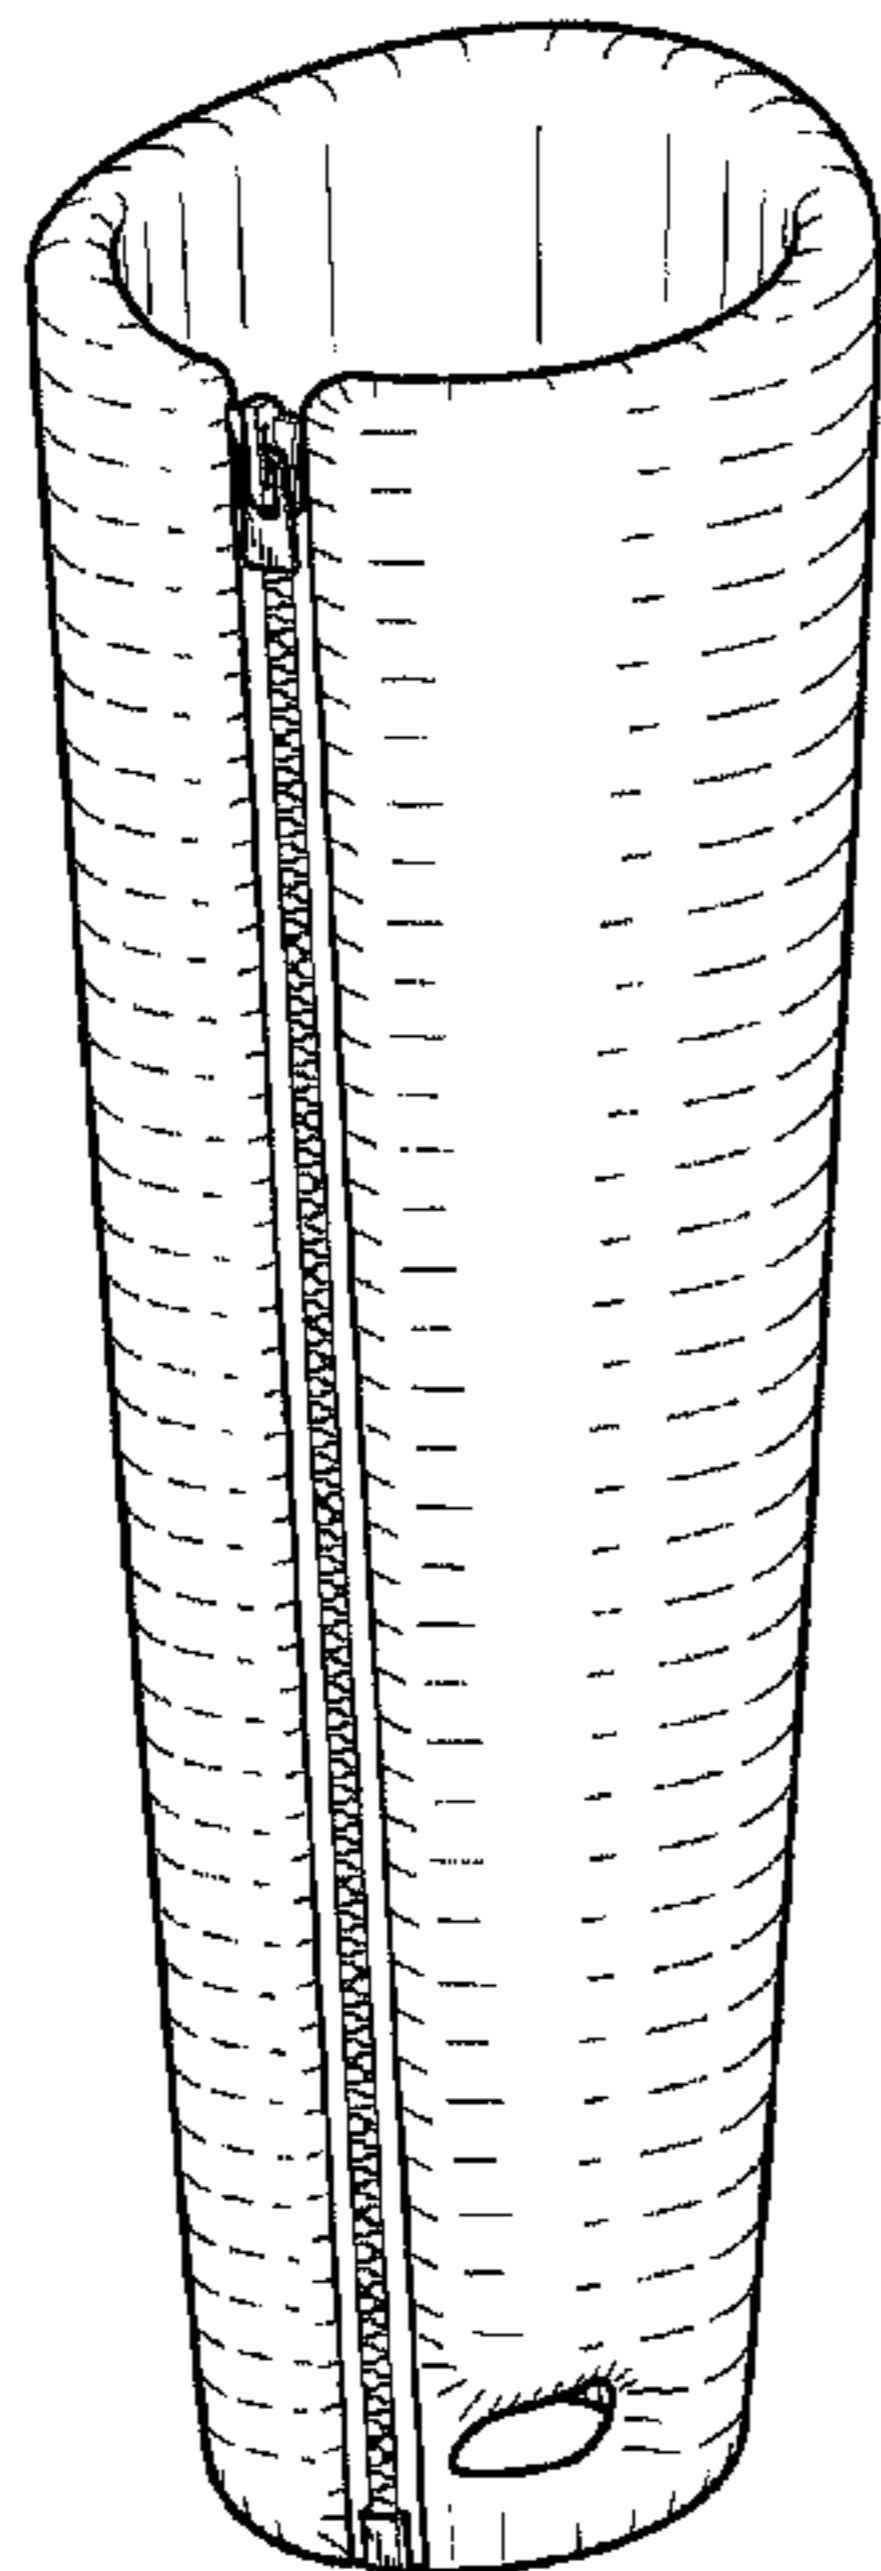

FIG. 5 is a left side elevation view of the pitting edema simulator for an arm;

FIG. 6 is an end elevation view of the first end of the pitting edema simulator for an arm;

FIG. 7 is an end elevation view of the second end of the pitting edema simulator for an arm; and,

FIG. 8 is a top plan view of the pitting edema simulator for an arm in an open position.
