(57) **CLAIM**

The ornamental design for a communications terminal display with graphical user interface, as shown and described.

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyright rights whatsoever.

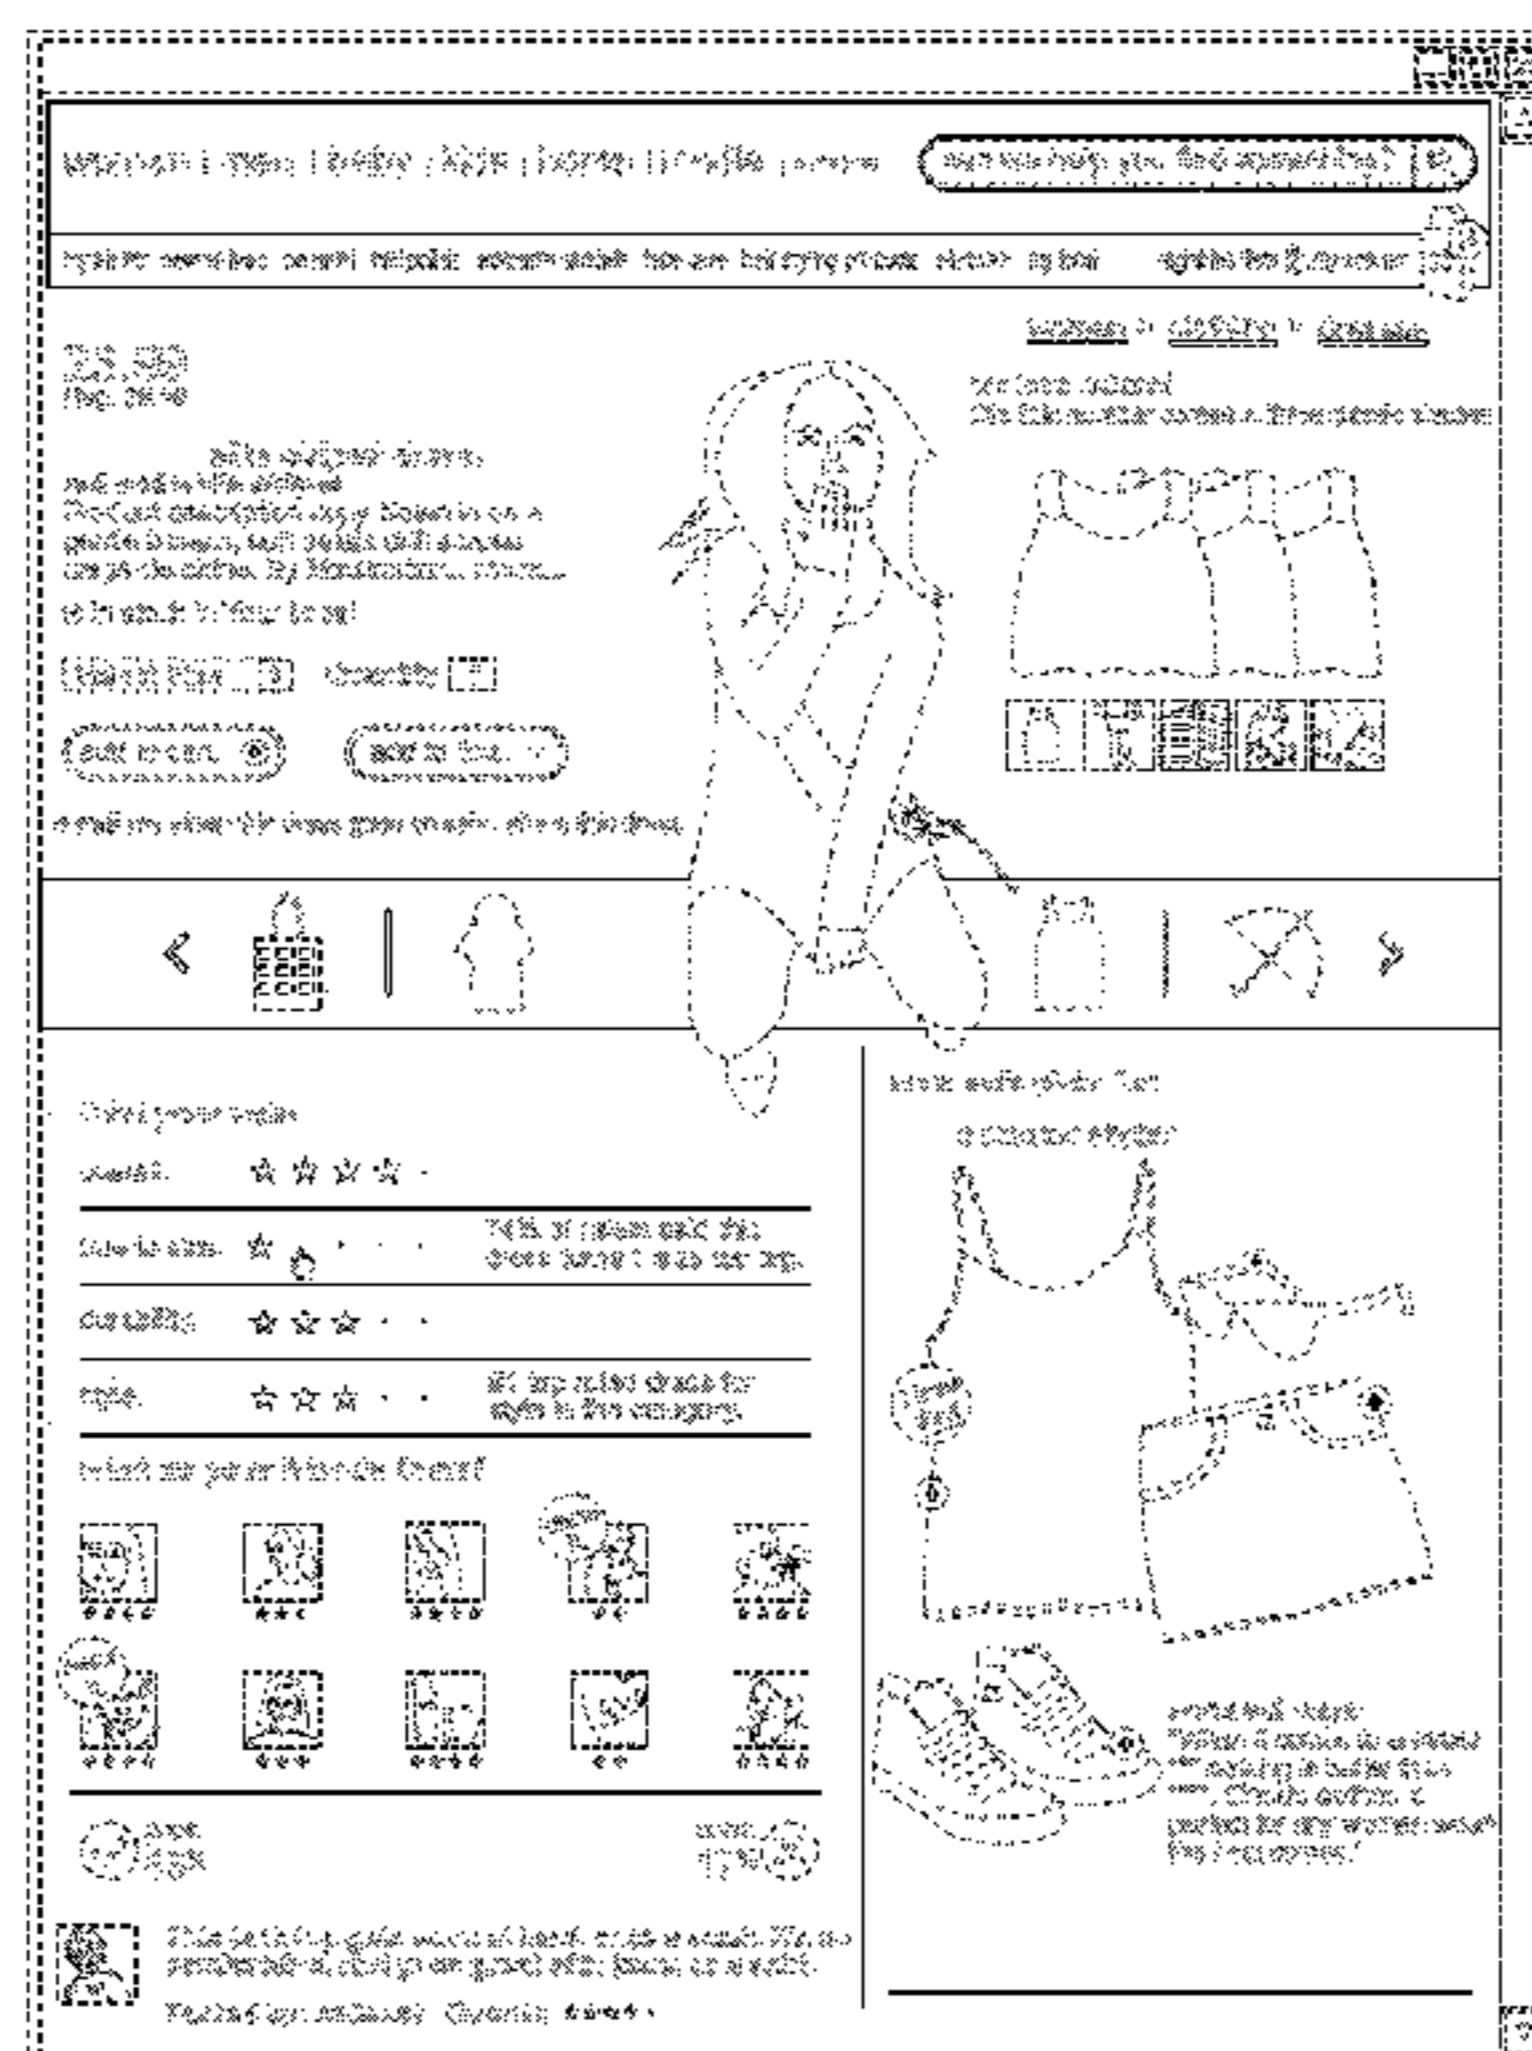

The single FIGURE is a front view of a communications terminal display with graphical user interface. The text and images shown in broken lines are for illustrative purposes only and form no part of the claimed design. The broken line drawing of a display screen of a communications terminal display is for illustrative purposes only and forms no part of the claimed design.
