(57) **CLAIM**

The ornamental design for a display screen with color icon, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen with color icon showing my new design.

The broken line showings of the person running and the display screen are for environmental purposes only and form no part of the claimed design.
