CLAIM

The ornamental design for a fluid dispenser, as shown and
described.

DESCRIPTION

FIG. 1 is a top, front, and left side perspective view of a fluid
dispenser showing our new design;
FIG. 2 is a left side elevational view thereof;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a right side elevational view thereof
FIG. 5 is an additional top, front, and left side perspective
view thereof;
FIG. 6 is an additional left side elevational view thereof;
FIG. 7 is an additional front elevational view thereof; and,
FIG. 8 is an additional right side elevational view thereof.
The broken-line disclosure, which is understood to represent
portions of the article in which the claimed design is embod-
ied, and which differs slightly between the disclosures of
FIGS. 1-4 and 5-8, forms no part of the claimed design.

See application file for complete search history.
