CLAIM

The ornamental design for an archery bowstring damper, as
shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the archery bowstring damper
from an upper angle.

FIG. 2 is a side view of the archery bowstring damper.

FIG. 3 is a top plan view of the archery bowstring damper.

FIG. 4 is a bottom view of the archery bowstring damper; and,
FIG. 5 is a perspective view of the archery bowstring damper
from a lower angle.

The broken lines depicting an archery bowstring are included
for the purpose of illustrating environment and do not form a
part of the claimed design.
