(57) **CLAIM**

The ornamental design for a declaw clamp device, as shown and described.

DESCRIPTION

FIG. 1 is a front plan view of a declaw clamp device showing my design;

FIG. 2 is a rear plan view of the design shown in FIG. 1;

FIG. 3 is a left side elevational view of the design shown in FIG. 1;

FIG. 4 is a right side elevational view of the design shown in FIG. 1;

FIG. 5 is a top end view of the design shown in FIG. 1;

FIG. 6 is a bottom end view of the design shown in FIG. 1;

FIG. 7 is a prospective view of the declaw clamp device showing my design, with the sharpened edges being illustrated in the closed position; and,

FIG. 8 is a prospective view of the declaw clamp device showing my design, with the sharpened edges being illustrated in the open position.
