(57) **CLAIM**

The ornamental design for a dispensing connector collar with a double barb and slits, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a dispensing connector collar with a double barb and slits.

FIG. 2 is a bottom perspective view of the dispensing connector collar with a double barb and slits.

FIG. 3 is a side view of the dispensing connector collar with a double barb and slits.

FIG. 4 is a back side view of the dispensing connector collar with a double barb and slits.

FIG. 5 is a top view of the dispensing connector collar with a double barb and slits; and,

FIG. 6 is a bottom view of the dispensing connector collar with a double barb and slits.

The broken line showing in FIG. 6 is included for the purpose of illustrating portions of the article and forms no part of the claimed design.
