(57) **CLAIM**

The ornamental design for a digital television with a graphical user interface, as shown and described.

**DESCRIPTION**

The patent or application file contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front perspective view of a digital television with a graphical user interface; and,

FIG. 2 is a front view of the digital television with a graphical user interface of FIG. 1.

The broken line showing of a digital television in both views is for illustrative purposes only and forms no part of the claimed design.

The Samsung, Samsung Apps, and Samsung MediaHub trademarks in the lower left portion of the Figures, and the Internet@TV trademark in upper right portion of the Figures are a registered trademark or the property of Samsung Electronics Co., Ltd. The YouTube or YouTube Video trademark in the upper right portion of the Figures is a registered trademark or the property of Google Inc. The Google or Google calendar trademark in the lower right portion of the Figures is a registered trademark or the property of Google Inc. Trademarks are the property of their respective owners.
