(57) **CLAIM**

I claim the ornamental design for a through roof fitting, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the through roof fitting.

FIG. 2 is a first side view of the through roof fitting. The opposite side view is substantially a mirror image of the first side view.

FIG. 3 is a second opposite side view of the through roof fitting.

FIG. 4 is a perspective view taken from the lower end and the top of the through roof fitting.

FIG. 5 is a bottom perspective view taken from the bottom and from the upper end of the through roof fitting.

FIG. 6 is a top view of the through roof fitting; and,

FIG. 7 is a bottom view of the through roof fitting.
