(57) **CLAIM**

The ornamental design for container for electronic equipment, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a container for electronic equipment in accordance with the design;
FIG. 2 is a front view of the container for electronic equipment in accordance with the design;
FIG. 3 is a back view of the container for electronic equipment in accordance with the design;
FIG. 4 is a first side view of the container for electronic equipment in accordance with the design;
FIG. 5 is a second side view of the container for electronic equipment in accordance with the design;
FIG. 6 is a top plan view of the container for electronic equipment in accordance with the design; and,
FIG. 7 is a bottom plan view of the container for electronic equipment in accordance with the design.
Broken lines shown in the drawings illustrate portions of the container for electronic equipment and form no part of the claimed design.
