(57) **CLAIM**

The ornamental design for an industrial compressor cabinet, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of an industrial compressor cabinet embodying our design in environmental use;

FIG. 2 is an isometric view of the industrial compressor cabinet depicted in FIG. 1, but showing the cabinet from a different angle and with the environmental components being removed;

FIG. 3 is a front elevation view of the industrial compressor cabinet as depicted in FIG. 2;

FIG. 4 is a side elevation view of the industrial compressor cabinet as shown in FIGS. 2 and 3;

FIG. 5 is a side elevation view of the industrial compressor cabinet opposite that shown in FIG. 4;

FIG. 6 is a rear elevation view of the industrial compressor cabinet as depicted in FIGS. 2-5; and,

FIG. 7 is a top plan view of the industrial compressor cabinet as shown in FIGS. 2-6.

The broken lines are directed to environment and/or are for illustrative purposes only. None of the broken lines form part of the claimed design.
