(57) **CLAIM**

The ornamental design for a wall-mounted station for doctors and hospitals, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a wall-mounted station for doctors and hospitals showing my new design; and, FIG. 2 is an additional front perspective view thereof.

There are no patentable features on the rear, sides, top, or bottom, and accordingly, no such views are shown nor do they constitute part of the claimed design. The broken-line disclosure of instruments is for illustrative purposes only and forms no part of the claimed design.
