715/840, 961, 962, 963, 965, 966, 967, 968,
715/975

The patent or application file contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front perspective view of a mobile terminal with graphical user interface;

FIG. 2 is a front view of the mobile terminal with graphical user interface of FIG. 1; and,

FIG. 3 is an enlarged front view the mobile terminal with graphical user interface of FIG. 1, shown without the mobile terminal for added clarity of illustration.

See application file for complete search history.

The broken line drawing of the mobile terminal is for illustrative purpose only and forms no part of the claimed design.

The broken line outline around the claimed image of the caller is an unclaimed outline and forms no part of the claimed design.
