Gregory W. O'Connor**(57) CLAIM**

The ornamental design for a seed allocator for a wild bird feeder, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a seed allocator embodying our new design.

FIG. 2 is a front elevational view thereof, the back elevational views being substantially the same.

FIG. 3 is a left side elevational view thereof, the right side elevational view being substantially the same.

FIG. 4 is a top view thereof.

FIG. 5 is a bottom view thereof.

FIG. 6 is a perspective view from the lower left of FIG. 1.

FIG. 7 is a perspective view from the upper left of FIG. 1.

FIG. 8 is a front perspective view of a second embodiment of a seed allocator embodying our new design.

FIG. 9 is a front elevational view of the embodiment shown in FIG. 8, the back elevational views being substantially the same.

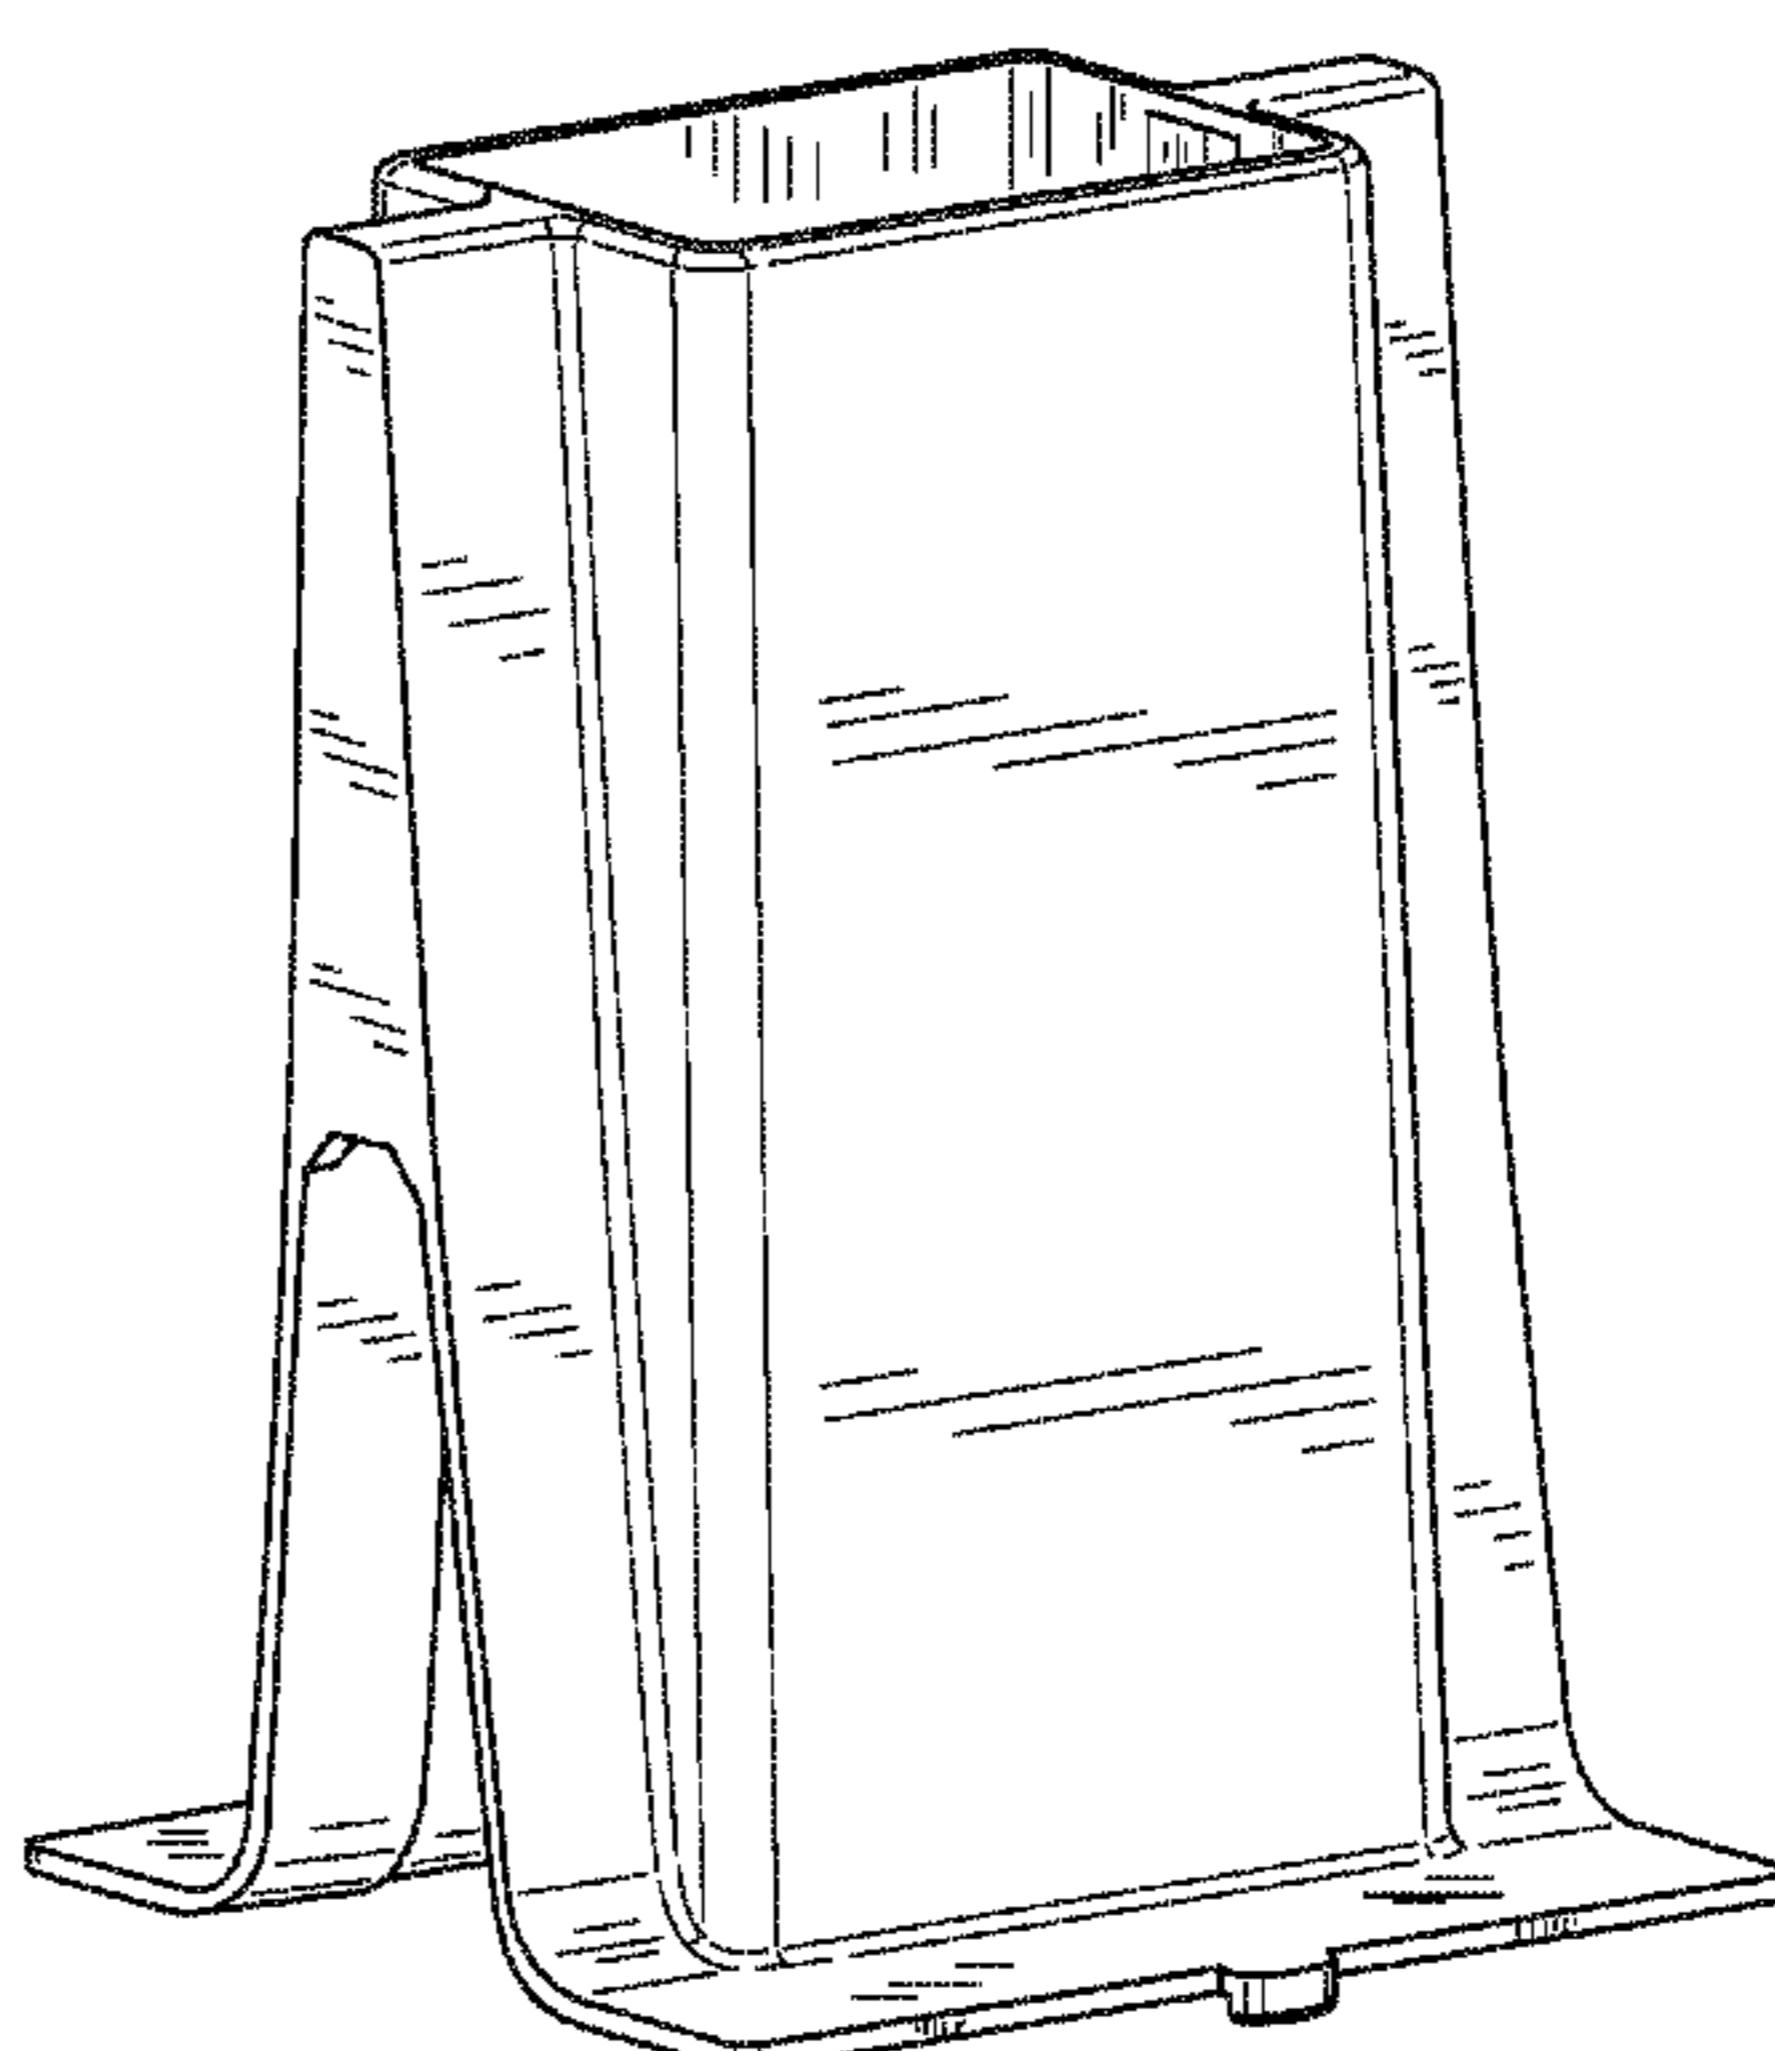

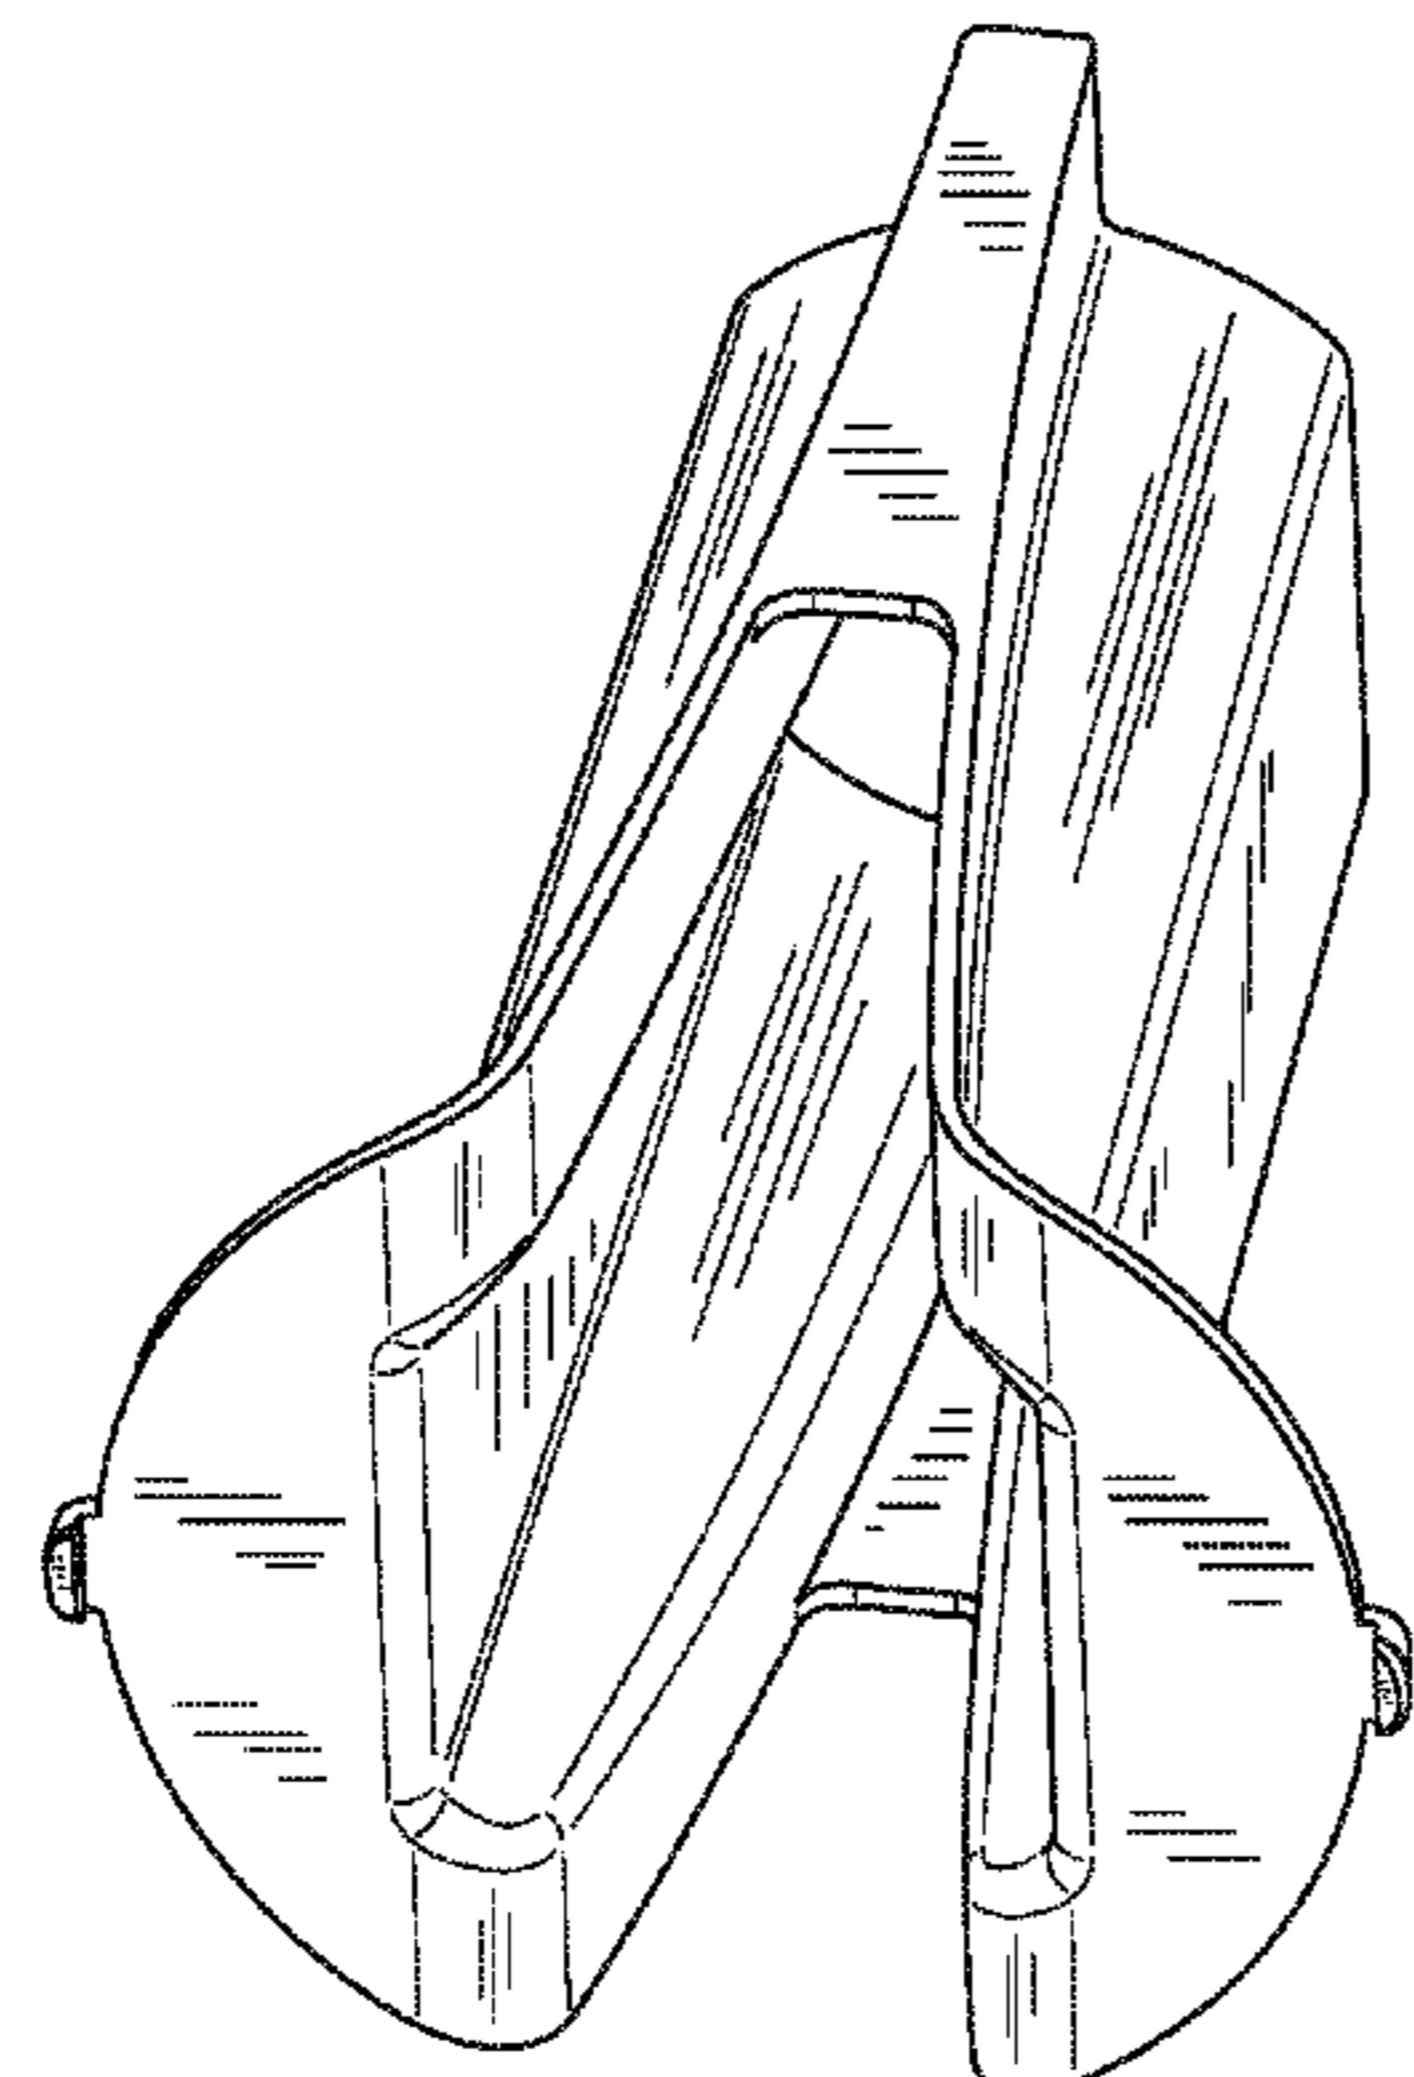

FIG. 10 is a left side elevational view thereof, the right side elevational view being substantially the same.

FIG. 11 is a top view thereof.

FIG. 12 is a bottom view thereof.

FIG. 13 is a perspective view from the lower left of FIG. 8; and,

FIG. 14 is a perspective view from the upper left of FIG. 8.
