(57) **CLAIM**

The ornamental design for a combined toolbox and vacuum cleaner, as shown and described.

DESCRIPTION

FIG. 1 is a front, top, and side view of a combined toolbox and vacuum cleaner that has the design.

FIG. 2 is a view of the same product with the handles in raised positions.

FIG. 3 is a view of the same product with the toolbox lid opened.

FIG. 4 is a view of the same product with the toolbox lid opened and the interior tray removed.

FIG. 5 is an elevation view of the front of the product.

FIG. 6 is an elevation view of the vacuum end of the product.

FIG. 7 is an elevation view of the toolbox end of the product.

FIG. 8 is an elevation view of the rear of the product.

FIG. 9 is an elevation view of the mating end of the vacuum part of the product; and,

FIG. 10 is a side elevation of the mating end of the toolbox part of the product.

The trademarks that appear on the product form no part of the claimed design.

The broken lines represent unclaimed elements of the combined toolbox and vacuum cleaner, and form no part of the claimed design.
