(57) **CLAIM**

I claim the ornamental design of articulating yacht boarding stairs, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of articulating yacht boarding stairs showing the articulating yacht boarding stairs in a deployed configuration.

FIG. 2 is a front side elevation view of the articulating yacht boarding stairs of FIG. 1.

FIG. 3 is a rear side elevation view of the articulating yacht boarding stairs of FIG. 1.

FIG. 4 is a right side elevation view of the articulating yacht boarding stairs of FIG. 1.

FIG. 5 is a perspective view showing a bottom of a top step of the articulating yacht boarding stairs of FIG. 1.

FIG. 6 is a front side elevation view of the articulating yacht boarding stairs of FIG. 1 in a stowed configuration.

FIG. 7 is a rear side elevation view of the articulating yacht boarding stairs of FIG. 1 in a stowed configuration; and,

FIG. 8 is a right side elevation view of the articulating yacht boarding stairs of FIG. 1 in a deployed configuration and shown mounted to a yacht with the leg portions supported by a dock structure.

The broken lines shown are included for the purpose of illustrating the unclaimed portions of the article and forms no part of the claimed design. While a right side of the articulating yacht boarding stairs is illustrated, the left side is a mirror image to the right side of the yacht boarding stairs.

Portions of the claimed design are shown separated to indicate that no particular length is being claimed.
