(57) **CLAIM**

The ornamental design for a combined handi-grip spoon, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined handi-grip spoon including the spoon, the resilient hinge, the ergonomic bend in the bottom arm, and the gripping tong of my new design. FIG. 2 is a right side elevational view of my design, showing the ergonomic bend along the bottom arm, the spoon, the resilient hinge, and the gripping tong, the left side elevational view being a mirror image thereof; FIG. 3 is a front elevational view of my design. FIG. 4 is a rear elevational view of my design. FIG. 5 is a top plan view of my design, showing how the gripping tong falls within the middle of the spoon; and, FIG. 6 is a bottom plan view of my design. The broken lines in FIG. 1 are for illustrative purposes only.
