(57) **CLAIM**

The ornamental design for a lens for television camera, as shown and described.

DESCRIPTION

FIG. 1 is a top front and left side perspective view of a lens for television camera showing our new design; FIG. 2 is a top plan view thereof; and FIG. 3 is a left side elevational view thereof; FIG. 4 is a rear elevational view thereof; and, FIG. 5 is a partial enlarged view of a portion where the thumb is placed.

The portions of the lens for television camera in broken lines are shown for illustrative purposes only and form no part of the claimed design.
