(57) **CLAIM**

The ornamental design for a portable electronic media holder with plush animal, as shown and described.

**DESCRIPTION**

Portions of the disclosure of this patent document contain material that is subject to copyright protection. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure as it appears in the Patent and Trademark Office file or records, but otherwise reserves all copyright rights whatsoever.

FIG. 1 is a right perspective view of a portable electronic media holder with plush animal showing our new design;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a left perspective view thereof;

FIG. 4 is a front elevational view thereof, with hands shown in an extended position and exposing the electronic device;

FIG. 5 is an enlarged partial front elevational view thereof; and,

FIG. 6 is another enlarged partial front elevational view thereof, shown with the arm and pocket.

The broken lines showing of human hand is for illustrative purpose only and forms no part of the claimed design.
