(57) **CLAIM**

The ornamental design for a golf club head cover, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the golf club head cover of the present invention, showing my new design.

FIG. 2 is a top view of the golf club head cover of the present invention.

FIG. 3 is a left side view of the golf club head cover of the present invention.

FIG. 4 is a right side view of the golf club head cover of the present invention.

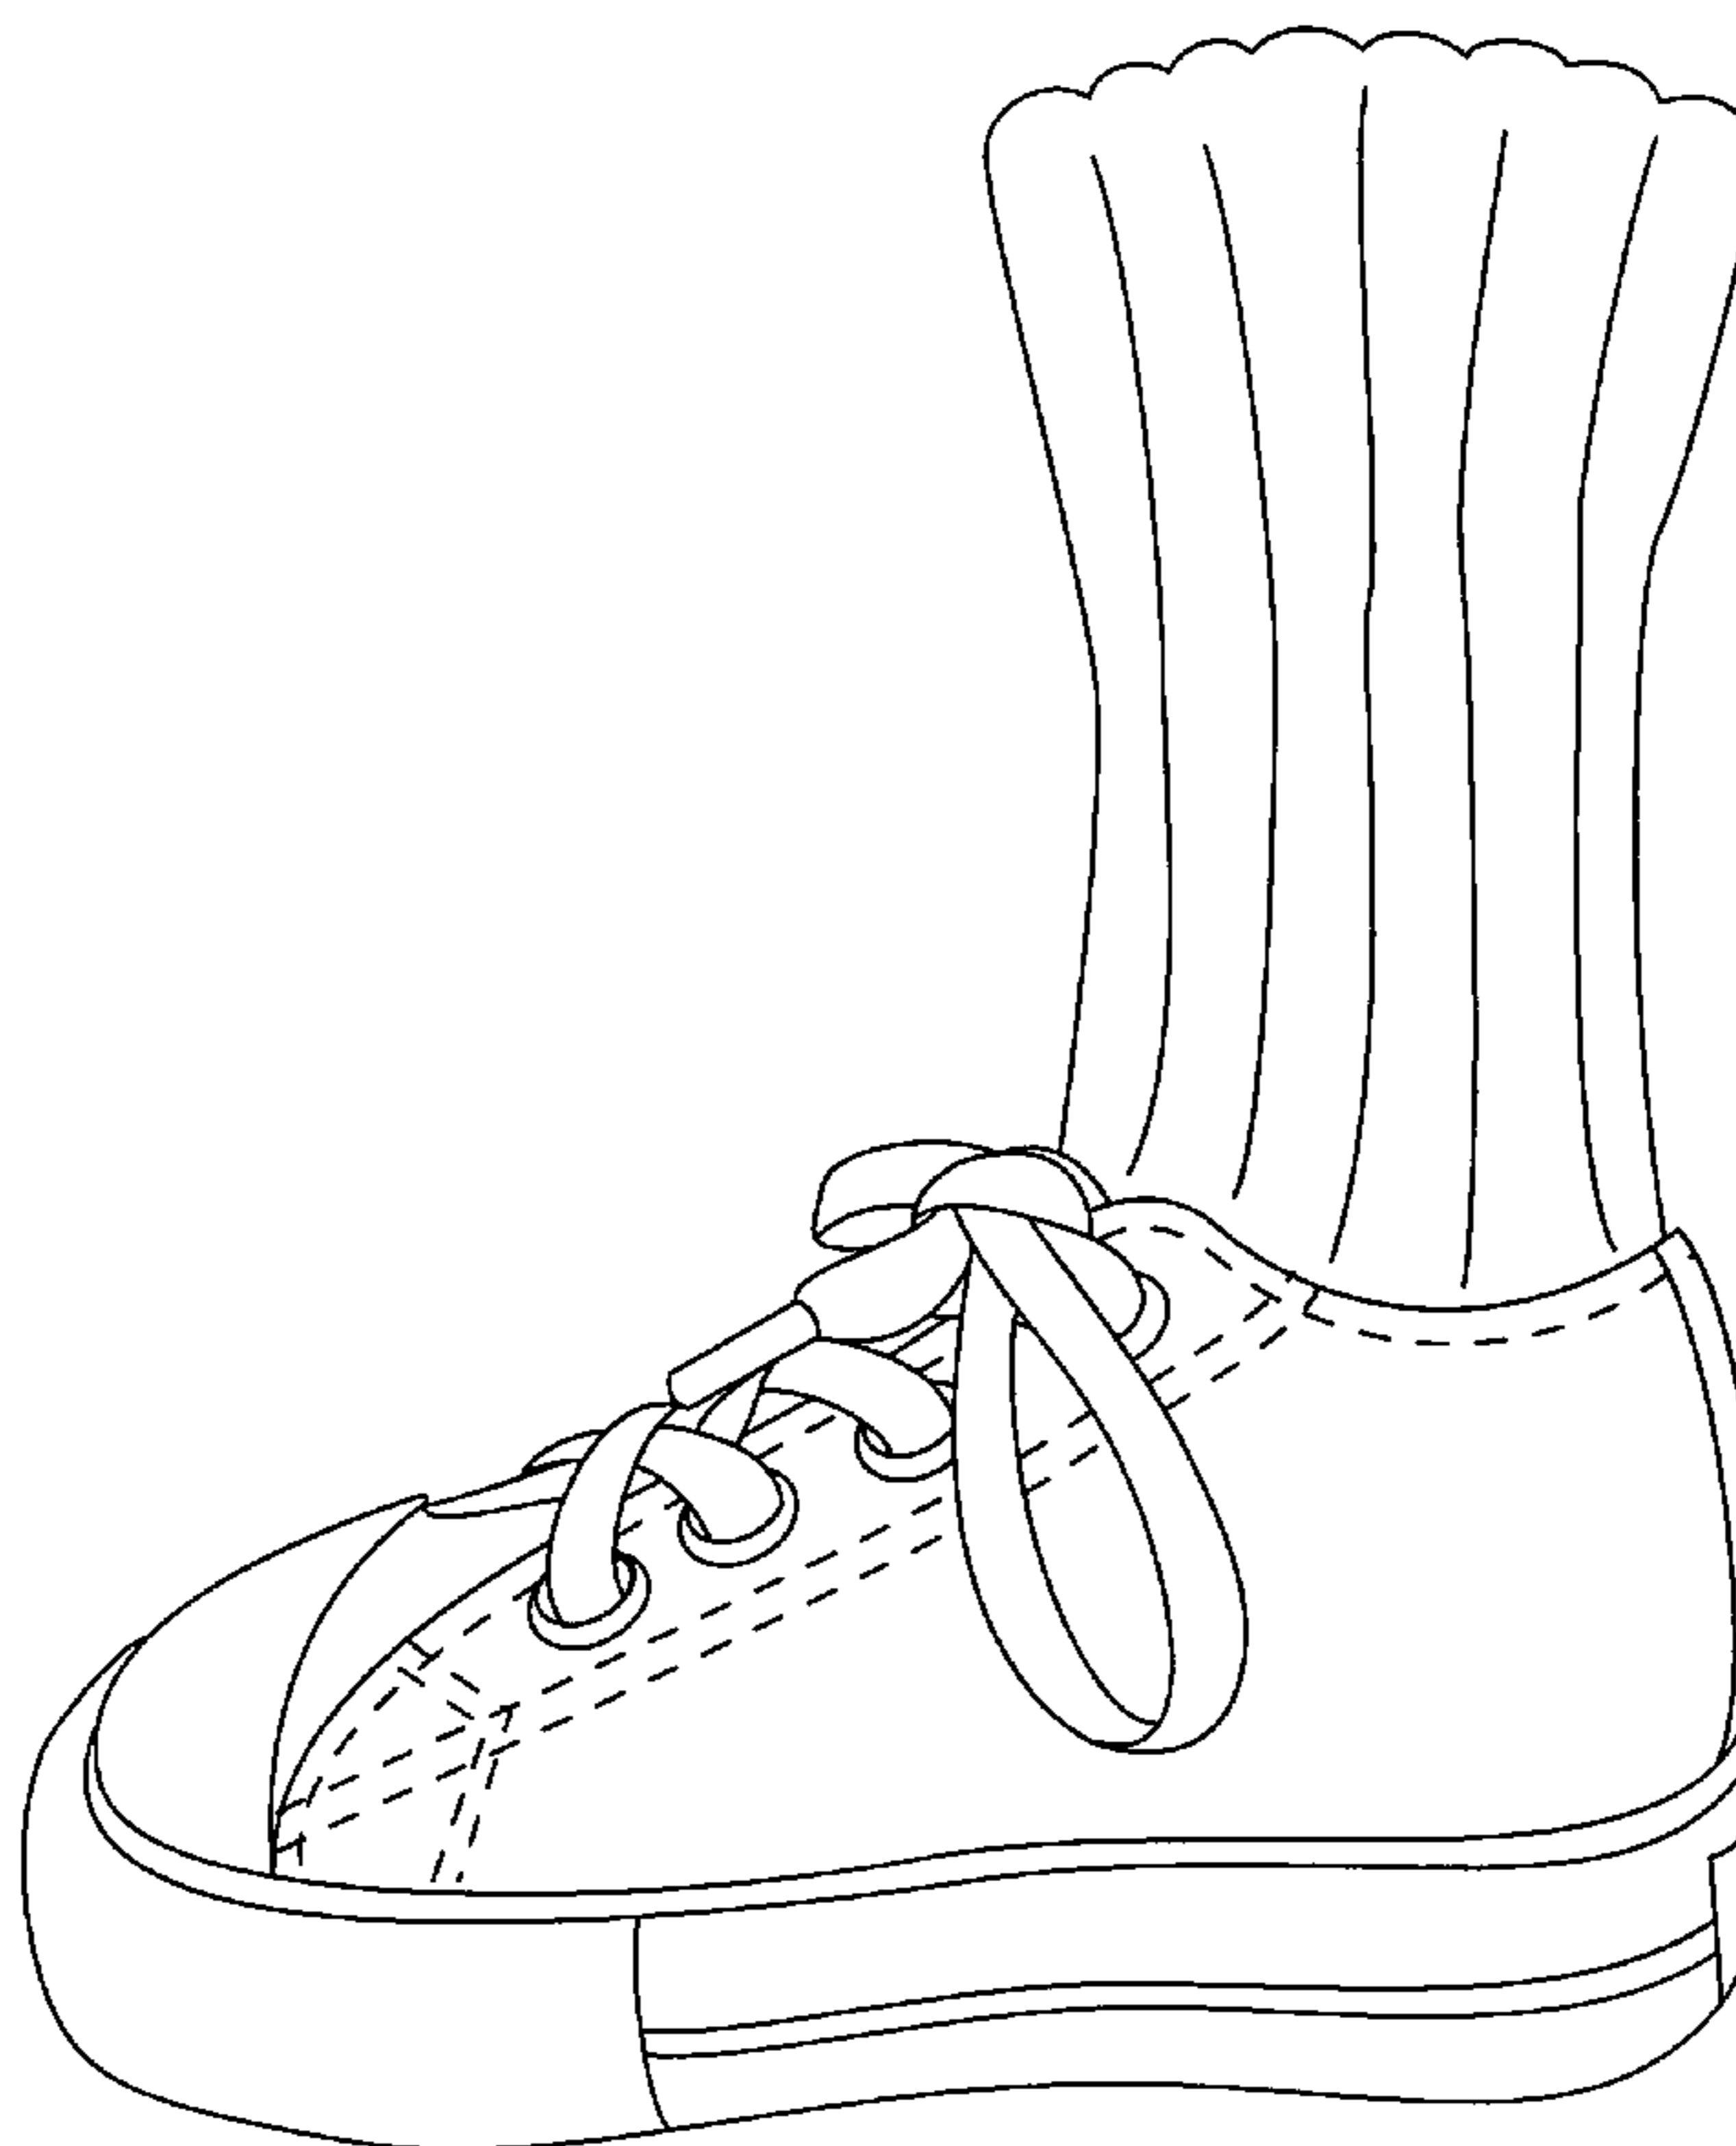

FIG. 5 is back view of the golf club head cover of the present invention.

FIG. 6 is a bottom view of the golf club head cover of the present invention; and,

FIG. 7 is a right side view of the golf club head cover of the present invention, shown covering a golf club head. An uncovered portion of the golf club is shown in dotted lines and does not form a part of the invention claimed herein.

The broken lines disclosed on the head cover are conventional stitching.
