(57) **CLAIM**

The ornamental design for face plate for mannequin for CPR training, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a face plate for mannequin for CPR training showing my new design with other unclaimed portions of the mannequin shown in broken line; FIG. 2 is a side perspective view thereof; FIG. 3 is another side perspective view thereof with some mannequin portions not shown; FIG. 4 is a front view of a face plate for mannequin for CPR training shown separately for clarity; and, FIG. 5 is a rear view of the face plate for mannequin for CPR training shown separately and depicted in an elongated and contracted condition after removal from the mannequin. Any broken lines are included for purposes of illustrating portions of the mannequin for CPR training that form no part of the claimed invention.
