(57) **CLAIM**

We claim the ornamental design for a garment, as shown and described.

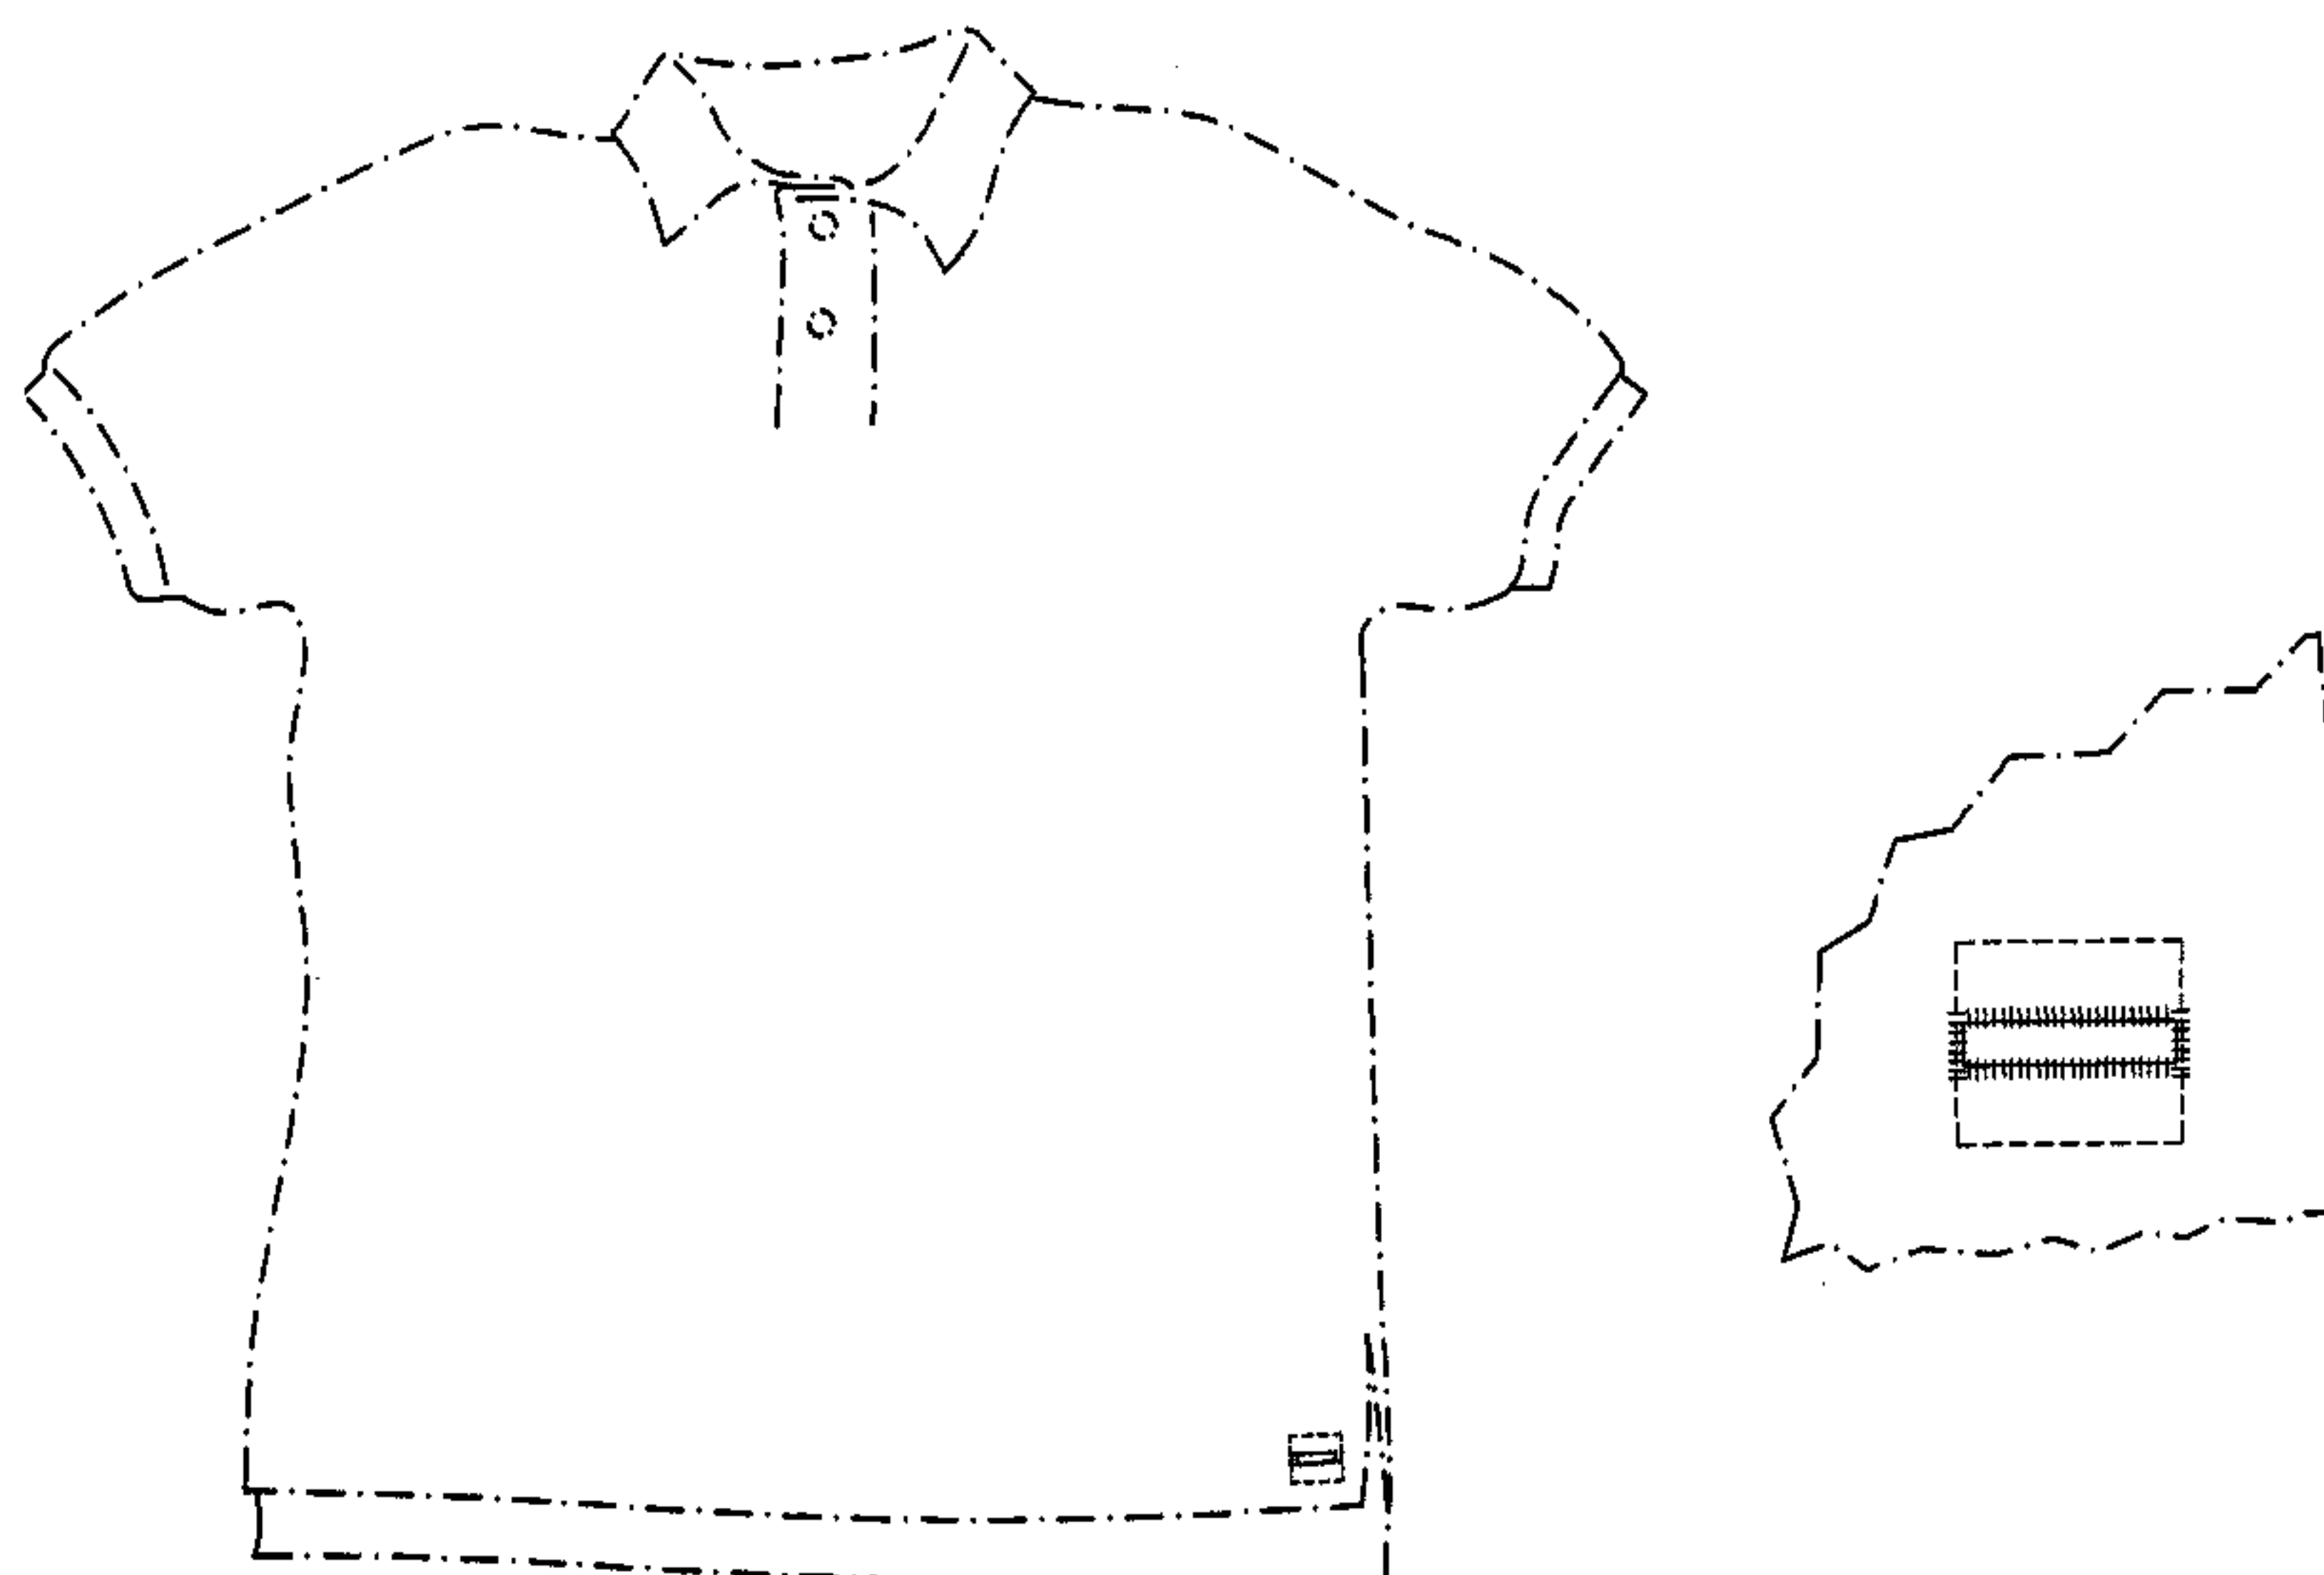

DESCRIPTION

FIG. 1 is a front view of a garment, showing our new design; FIG. 2 is a partial enlarged front view thereof; and, FIG. 3 is a partial enlarged rear view thereof.

In FIGS. 1-3, a garment is shown located near a corner at the base of a front portion of a shirt and is sufficiently sized to contain a coin-sized object.

FIGS. 1-3, one or more of the broken lines appearing as an alternating dash and dot (— • — • —) and the subject matter contained therein are shown for the purpose of providing the environmental structure of the design and are disclaimed in that they form no part of the design to be patented. Broken lines comprising all dashes (— — —) or hash marks (#####) represent stitching that is claimed as part of the design to be patented.
