(57) **CLAIM**

The ornamental design for a light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a light fixture in accordance with my design;

FIG. 2 is a top plan view of the light fixture in accordance with my design;

FIG. 3 is a bottom plan view of the light fixture in accordance with my design;

FIG. 4 is a front elevation view of the light fixture in accordance with my design;

FIG. 5 is a back elevation view of the light fixture in accordance with my design;

FIG. 6 is a right side elevation view of the light fixture in accordance with my design; and,

FIG. 7 is a left side elevation view of the light fixture in accordance with my design.

The three vertical support members are shown broken-away in FIGS. 1 and 4-7 to depict non-specific length.

The broken-line disclosure of elements is understood to represent portions of the article in which the design is embodied, but which form no part of the claimed design.
