(57) **CLAIM**
The ornamental design for a USB memory device and pen, as shown and described.

DESCRIPTION

FIG. 1 is a top front left perspective view of the USB memory device and pen.
FIG. 2 is a rear elevational view of the USB memory device and pen.
FIG. 3 is a left elevational view of the USB memory device and pen, the right being a mirror image of the left.
FIG. 4 is a front elevational view of the USB memory device and pen.
FIG. 5 is a bottom plan view of the USB memory device and pen.
FIG. 6 is a top front left perspective view of the USB memory device and pen where the USB memory device has been separated from the pen; and,
FIG. 7 is a top rear left perspective view of the USB memory device and pen where the USB memory device has been separated from the pen.
