(57) **CLAIM**

The ornamental design for a ventilated hat, as shown and described.

DESCRIPTION

FIG. 1 is perspective view of the ventilated hat design of the present invention.

FIG. 2 is a front elevation view of the ventilated hat design of the present invention.

FIG. 3 is a rear elevation view of the ventilated hat design of the present invention.

FIG. 4 is a lateral elevation view of the ventilated hat design of the present invention.

FIG. 5 is another lateral elevation view of the ventilated hat design of the present invention, opposite to that which is shown in FIG. 4.

FIG. 6 is a top plan view of the ventilated hat design of the present invention; and,

FIG. 7 is a bottom view of the ventilated hat design of the present invention.

The broken lines shown in the drawings illustrate features of the article to which the design is applied that form no part of the claim.
